

## Year 2 Curriculum

Throughout the year the children will explore the foundation subjects such as Art, Geography and History through a topic. There will be a focused text for each topic and this will be explored further in English through drama and writing. (The texts may change depending on the interests of the children). Please refer to the table below for the topic titles.

Term	Topic	Focus Text/s
Term 1A	Keeping Healthy	The Lighthouse Keeper's Picnic Florence Nightingale
Term 1B	Amazing Africa	Grace and Family The Hunter
Term 2A	Go Green	The Great Kapok Tree
Term 2B	Creature Comforts	Harry the Centipede
Term 3A and 3B	Seaside Holidays (This topic will run for two terms due to Term 3A being a short term.)	The Big Big Sea

Maths is largely taught through the White Rose Maths Scheme although the Year 2 team have adapted it to meet the needs of our children.

A newsletter will be sent home at the beginning of each topic outlining what the children will be learning about in school.
