

## Proposed Sport Premium Funding 2018-19

Resources	Funding	Impact
Annual subscription to Barking and Dagenham Sports partnership.	£567.70  £100.00 AFPE	Access to borough competitions with other schools. The children are motivated to improve their skill level within different sports and attend club sessions. The chn often enquire about competitions. Last year we increased the number of children attending school clubs from 260 to 360 children. We attended 10 Borough festivals last year. PE team attended AFPE training and regular sports partnership meetings to enhance P.E in school and make links to improve results in competitions. We increased the number of clubs from 11-16. Achieved the Bronze school games award 2 years running. The tennis team achieved the semi -finals in a Borough tennis tournament. SEN children had the chance to participate in all-inclusive sport events- and achieved a medal position. Year 3 Cross country team came 4 <sup>th</sup> Year 4 Cross country team came 5 <sup>th</sup> Year 5/6 Cross country team came 6 <sup>th</sup> Some children came in the top 10 in the Borough for their year group.
Basketball tournament for years 3-6.	£250.00	To ensure all children get opportunities to participate in competition in school.
Transport for events Cross country Year 3-6 Bball Year 6 Sportshall athletics Year 6 Penathlon x 2 All year groups Netball Year 5/6 Dodgeball Tennis year 3-4 Cricket year 4 Quad kids year 3-4 Quad kids years 5-6 Kwik sticks Hockey Panathlon football All year groups	£195.00 x 12 events £2,340.00	To ensure the children have the opportunity to compete in Borough competitions.
Supply cover for teaching staff	£200 x 12 £2,400	So the children can attend competitions a member of staff to accompany and to support the children on techniques and tactics and provide continuity for the children to be able to participate in the competitions.

Bikes, static machines	£4650.00	Bought in Bikes and static machines to be the first school in the UK to have a static interactive cycling project to improve fitness in school through P.E. lessons, clubs for children, staff and parents. To encourage children to be more active and promote healthy lifestyles. To provide support for G and T children in cycling.
Mark out track for Golden/ Daily mile.	Awaiting quote	To encourage children to run, to become fitter, to improve levels in learning, determination. The track can be used for warm ups for P.E., for children to run during break or lunchtimes and for competitions to be held once a term to improve children's fitness levels.
New Scheme of Work	£2000	Teacher voice suggested the previous scheme of work was difficult to follow. The new scheme will allow us to assess children, give clear, progressive guidance through the years with video models for teacher/ pupils to access. All staff received training for the new scheme. When the scheme was introduced to staff-Teacher voice was very positive.
SEN bike club- transport 10 weeks taxis.	Transport £810.00	Children really enjoyed going to Redbridge cycling centre and have the opportunity to participate in sustained physical exercise, enjoying the different bikes and experience together. The children were happy when there and eager to go each week.
Triathlon- first school to have run a triathlon	£1000	Children had the opportunity to try rowing, cycling and running events. Their scores for rowing, running and cycling were recorded, shared with the children and the children that showed potential were recommended to Redbridge cycling club. Pupil voice was very positive. The children enjoyed receiving their certificate with their individual results on.
General PE resources	£2000	Balls, bbalss, rugby balls, vortex, tennis balls, bean bags etc. We need basic equipment for children to participate in PE. Curriculum. More Benches and mats were requested following Gym CPD with staff.
Staff Kit Pupil kit.	Tracksuits staff £1831.00 Kids kit £683.00 £2,514	Teachers are now more confident to teach P.E. and many wear their tracksuits into school and participate in the P.E. lessons or running with their children. Children enjoy wearing kit to events and parents have commented on how smart they look.

		Other schools, parents, children and staff have provided great feedback about the tracksuits staff are wearing.
Specific PE skills INSET for all staff/ CPD	£5,590 Breakdown below	Staff voice showed 50% teachers were lacking in confidence when planning/ teaching P.E. in 2016. As a result of Staff cpd/ Insets throughout 2016/2017 following formal observations in summer 2018: 39% Outstanding teaching in P.E. 36% Good teaching in P.E. Following extra CPD another 3 teachers are now Good. Staff voice shows teachers are now more confident.
PE specialist to improve teaching of P.E. and ensure high quality lessons. Each teacher receives 1.5 hours of CPD per year. For year groups Reception to 6.	£2,800	As above.
Total Sportz CPD staff For year groups 1 to 6. Each teacher gets 1.5 hours of CPD throughout the year.	£1,290	As above.
JC coaching Year 6 CPD	£1,500	As above
Premier Secret Fit club CPD year 6 KS2 dance	£3,520	As above and KS1 received Dance CPD last year and the teachers were much more confident delivering Dance. Teacher Feedback: I understand the structure of a dance lesson now. The kids really enjoyed it. I understand the progression. Ks2 Teachers requested the same training.
Premier providing secret fit club	As Above	To target year 4 children who don't enjoy physical activity to reduce levels of obesity. Pupil voice was very positive.
Clubs – cross country Athletics Tennis Netball Rugby Kwik sticks Hockey	Run by staff free.	Last year 3 clubs were run by staff for free- Tennis, Netball, Rugby and Athletics. This Year more staff have volunteered so we now have extra clubs running.
