### A VISITOR FOR Y3

Yesterday Year 3 had a very special visitor come and talk us about what life was like in the war. The visitor was ... Miss Rowley's nan!

Although she wasn't alive in the first World War, she was able to talk to us about life during the Second World War with evacuees, toys in the war (or lack of them), air raid shelters, gas masks and much, much more!

Year 3 learnt so many facts and asked lots of questions to develop their understanding! They then wrote down some questions that they still had about the war and some facts that they had learnt for our Remembrance display.

Thank you Miss Rowley's Nan!

**Welcome  
Back!**

We hope you had a great half term.

sues. The text number is **07520 619376**.

## Parent Survey results

Thank you to all of you who took the time to fill out our parent survey during last term's parents' evening. We had 166 responses. The results gave us a very clear message regarding your thoughts with the vast majority of you having similar thoughts and opinions. 97% of you agree or strongly agree that trips and visitors enrich our children's education. Over 90% of responses indicated

that £15-£20 was an acceptable amount to pay for a main trip of the year.

Also, the number of smaller additional trips that you would be happy to pay for was 3 to 5 according to the vast majority of you.

We will be using this really helpful data from you to produce a new policy to support our teachers when planning for enrichment opportunities in each year group.

### Remembrance Service

This weekend the House Captains will be accompanying Mr Edwards and Mrs Ellis at Coleshill Church's Remembrance Service.

The Children will be laying a wreath in honor of those who have lost their lives during conflicts around the world and in particular, on the 100th anniversary of its end, those who died in the First World War.

#### Y4 SWIMMING

Class 4C will be swimming next week.

#### School Photo

The last day for ordering your child's photo is Friday 9th November.

#### Class Drinks Bottles

Please encourage your children to bring home their class drinks bottles regularly for washing. If they are left uncleaned they soon become unhygienic and a place for germs to live.

#### Children before 8:30am

You will have noticed that we have started our building work. There are no lorry movements or deliveries to the site between 8:30 and 9:15 however trucks will be moving around the site in the morning outside of these times. Please note that it is even more important during the build that **no children arrive on the school site before 8:30am** as there is no supervision for children at this time.

#### Samaritan's Purse Operation Christmas Child

Please return your shoebox by Wednesday 21st November.
