9 November 2018

Dear Parents and Carers,

## Re: Maths Stay and Learn Sessions in Reception

You are invited to participate in a 'Stay and Learn' session during the week commencing Monday 19<sup>th</sup> November 2018. The session will take place in your child's classroom from 9.00 until 10.30am.

**Sessions in Robin and Wren class will be on Monday and Wednesday**  
**Sessions in Sparrow and Owl class will be on Tuesday and Thursday**

The session will demonstrate how we approach teaching the children certain maths skills. It will be 'hands on' and offer you the opportunity to observe your child's learning in action. We hope this will enable you to further support them in this key area of learning at home.

The session is designed to provide you with an overview of how your child is learning in their Reception class and we hope as many parents and carers as possible will be able to attend. It is not, however, an opportunity to discuss your child's progress in detail. Unfortunately, no crèche facilities will be available during the session for younger siblings.

We look forward to seeing you and further involving you in the exciting journey your child has begun at school.

Please complete the slip below and return it to school by Tuesday 13<sup>th</sup> November. The teacher will assign you one of the two days. You could also email [admin@grange.ealing.sch.uk](mailto:admin@grange.ealing.sch.uk) with the subject **Reception Maths Stay and Learn in (class name)**, and state your child's name and the day of preference.

Yours faithfully,

**The Reception Team**
