8th December 2017

Dear Parents and Carers

I am pleased to share with you the outcome of the recent short OFSTED inspection. **This school continues to be good.** The report in the form of a letter has been published today on the school website for you to read in detail.

Julie Carrington, the HMI who inspected the school, acknowledges the journey the school and the governing body has been on over recent years. The report states that the school leadership has an accurate understanding of the strengths and weaknesses of the school and is working on the right aspects of improvement.

As Chair of Governors I want to take this opportunity to thank the staff and governors of St Louis and all those who have supported us on our journey so far. We are very pleased with the outcome of the inspection but are not complacent. We will continue with our plans for improvement, including improving engagement with parents. I would also like to thank the parents who took the time to add their view to Parent View.

Yours faithfully

Sam Brinn

Chair of Governors
