Dear Parent / Carer,

Applying for a Year 3 place in Junior School for September 2019

Your child is due to move on to Junior School in September 2019 having completed the infant phase of their education and you now need to apply for a Junior School place for your child.

How to apply

The easiest and quickest way to apply is online at www.northamptonshire.gov.uk/admissions. Applications open on 10th September 2018. You will need to register using an email address.

You can also download a copy of the 'Applying for a Primary School Place in Northamptonshire 2019/20' booklet from our website. Please read the booklet thoroughly before making your application.

Alternatively, you can apply using a paper application form which you can request from the School Admissions Team (details below).

Some schools require you to complete a supplementary information form (SIF). A list of schools that this applies to can be found on our website. SIFs should be returned to the school directly.

Closing date for applications

Your application must reach us by **5pm on 15th January 2019**. Failure to get your application in on time may affect your chances of obtaining a place for your child at your preferred schools.

Pupils with an Education, Health and Care Plan

If your child has an EHC Plan, you do not need to apply for a school place using the process explained above. Instead, you will receive a letter from the EHC Team seeking details of your school preference.

Pupils living outside of Northamptonshire

If your home address is outside Northamptonshire (even if your child attends a Northamptonshire infant school), you should apply to the local authority where you live (your 'home local authority'), not NCC. Contact details of other local authorities can be found on our website.

Please contact the School Admissions team (details below) if you have any further queries.

Yours faithfully,

School Admissions Team
