

Adderley Children's Centre is committed to a process of continual assessment and improvement. In attempting to achieve this goal we recognise that regular feedback from all of our Parent/Carer's, Partners and Service user's is essential. To this end we would welcome any Compliment, Comment and Complaints.

COMPLAINTS POLICY

Our centre wants to deal with any issues, concerns and complaints that you have as promptly and effectively as we can, and if you have any concerns we encourage you in the first instance, to go directly to the person who is most appropriate - this will usually be the lead person for the unit/team.

- Natalie Hodges – Family Nursery
- Nicky Hinchliff – Nursery
- Julie White – Administration
- Yvonne Spoons – Inclusion Team

You may wish to speak to the Head Teacher – Sharon Lewis

If you are not a parent or a guardian of a child attending the centre you should contact the Head Teacher.

The centre is required by law to have a complaints procedure that aims to ensure that concerns and complaints are handled in a fair and non-adversarial manner.

The procedure is intended to deal with complaints relating to the actions of staff and the application of centre procedures where they affect individuals children except in matters relating to:

- . Curriculum
- . A particular exclusion
- . A particular child protection issue
- . A special needs statement issue
- . An admission issue

All of which are dealt with under separate procedures. Details of these procedures are available at the centre.

The centre encourages any complaint as we value your feedback. We make every effort to resolve any concerns informally - please help us to resolve any concerns or complaints that you may have by following these steps.

Please note:

.Any concern or complaint should be brought to the attention of the Centre at the earliest opportunity; any matter raised more than 3 months after the event will only be

considered in exceptional circumstances. . An anonymous complaint will not be dealt with unless there are exceptional circumstances

Step one - Raising your concern.

It is expected that in most cases the class teacher or member of staff concerned will be able to resolve your concerns without the need to go any further. You can help them to resolve your concerns by arranging to meet him or her at a convenient time, discussing your concerns in a positive atmosphere and allowing them any time that they require in order to investigate the matter further themselves.

Please note that an unreasonable refusal to allow your concern or complaint to be addressed informally may result in the centre being unwilling to take the issue any further.

If, having raised your concern with the lead person for the unit/team and or you are still dissatisfied, or if the lead person is the subject of your complaint, then you should move on to step two, contacting the Head Teacher.

Step Two - Involving the Head of Centre

The Head Teacher may ask you to put your concerns in writing but will usually be able to deal with your concerns face to face. The Head Teacher will attempt to resolve your concerns using any reasonable means that she / he feels are appropriate: this may involve meeting with you to discuss the matter further, or delegating another senior member of staff to investigate.

The Head Teacher should be allowed reasonable time to investigate the concern or complaint and gather any information the she / he requires. On this basis you should expect to receive feedback no later than 10 Centre days after giving the details to the Head Teacher.

If you are dissatisfied with the feedback from the Head Teacher, or if the Head Teacher is the subject of your complaint, then you should move on to step three, contacting the Chair of Governors.

Step Three - Formally Notifying the Governing Body

The Governing Body has responsibility to investigate for ensuring that any complaints formally notified to them are addressed. If you have not raised your concern or complaint with the Head Teacher, the Chair may advise you to do so, but otherwise, if you have a complaint and have not already put the details in writing, the chair will ask you to do so.

Complaint Form.

In cases that require urgent consideration the Chair may deal with the matter exclusively and without delay but usually a designated panel of 3 Governors will be convened to hear your complaint.

The designated governors will hear your complaint on an impartial basis via a panel hearing that must be held in private, and will aim to resolve the complaint and reconcile any differences between you and the Centre.

The conduct and procedure of the hearing is detailed in the Centre Complaints Procedure and you will be given the opportunity to have a friend or representative, and / or a translator present at the hearing if you wish.

The panel will:

- . Dismiss the complaint in whole or in part, or
- . Uphold the complaint in whole or in part, or
- . Where appropriate decide the action to be taken, or
- . Recommend changes to the centre systems or procedures to seek to ensure that problems of a similar nature do not recur.

However, it is recognised that you might not be satisfied with the outcome if the hearing does not find in your favour, and therefore it may only be possible for the hearing to establish the facts and make recommendations.

Following the investigation you will receive written feedback from the clerk including any decisions, recommendations and the reasons for them and, if appropriate next steps. This should be issued within ten Centre days after the investigation has concluded.

Please note:

If the outcome might lead to action under another procedure or is an internal management issue for the Centre and therefore the responsibility of the Head Teacher, you may only be told that appropriate action will be taken.

This is the final step of the process for the centre (except for carrying - out agreed actions) and there is no more that the centre can do - trying to raise the issue further through the centre - may force us to treat your complaint as vexatious.

If, despite all stages of the procedure having been followed, you remain dissatisfied, you may take your complaint to the Local Authority who have a remit to review due process - there is no onus on them to re - open an investigation, etc. if they are satisfied that the centre has dealt with the complaint appropriately.
