

The Harry Gosling Herald

We started our week off celebrating all the great work that took place over the half term break. Look at these amazing examples! Well done to all the children who took part in the Family Homework Challenge!

Year 2 children visited the Tower of London on Monday. They were finding information to help them answer their big question this half term, 'How do you defend a castle?'. Year 3 children took part in a photography project with artist Steve McQueen and Tate Britain. Their photo will appear in an exhibition all about Year 3 children next year at the gallery.

Yesterday children in Years 5 and 6 were treated to the most amazing production of Shakespeare's 'The Tempest' at the Stratford Circus Theatre. But they weren't watching a group of professional actors. The cast was made up of children from Harry Gosling and Stephen Hawking Primary Schools. This group of children have been rehearsing every week this term and not only performed in the play but helped write and direct it! It was FANTASTIC! We were so proud of them all. Best wishes, Jennie

He's back! Pudsey Bear is asking everyone across the country to raise money for Children in Need! Luckily we have our wonderful school councillors

who have plenty of ideas about how we can join in the fun! Children in Need will be taking place on Friday 16th November 2018. The theme this year is '**Spotacular - Get your ears on!**' For a £1 donation, come to school in your spottiest clothes. There will be a competition to see who can wear the spottiest ears. We will also be organising a 'Spotty Pick.' For 50p, see if you can pick a spot with Pudsey on and win a prize! The school council will also be doing an assembly, explaining why raising money is so important. All the money raised will go towards helping disadvantaged children and young people across the UK. We thank you for your support.

Don't forget:
*'Every time
our bell rings,
we step closer
to our dreams'*

Please make sure you are here at 8.55 a.m. to start the day at 9.00 am.

'The book I recommend is...'

This week Sara in Sapphire class recommends: 'The Case of the Stolen Sparklers' by Anthony Read. In this book Lady Mountjoy's diamonds are missing and Polly, her maid, is wrongly accused of the theft. She teams up with the Baker Street Boys to help find the real culprit. But they all realize everyone has something to hide.

I love this book because there's a lot of adventure and it has powerful words that always create a picture in your head. I recommend this book to people who like detective and mystery and adventure stories.
