**'Think! Always wear a seat belt!'**

It has been brought to our attention that some children have been collected from school in cars and have not had their seat belts on. Please ensure your child has their seat belt fastened for every car trip, no matter how short your journey is.

**Absence**

If your child is absent from school, you must phone the school office before 9.00 am on their first day of absence. The school number is: 01924 430548

**Contact Details**

Please can you make sure that your child's contact details are up to date. If any of your contact numbers, address or other details have changed, come and tell the school office. Your child needs more than one contact number on their file in case of emergencies.

**Medical Information**

Please make sure you inform school if your child has any medical issues. If your child suffers from asthma, please bring their spacer and if possible, 2 inhalers into school. A permission slip will need to be signed by a parent before any medication, including inhalers, can be administered.
