It’s 7.45am and The Ark is already a hive of activity with breakfast being served and time for a quick play before school.

It’s 9.30am and the toaster is still in use at our regular “Stay and Play” session run by Karen. After making and flying a few paper planes, the children tuck into their snack before making use of the Ark toys and activities while mums and dads have a coffee.

It’s 2pm and the children are busy playing and learning. There are opportunities to develop fine and gross motor skills, imaginative play in the mud kitchen, using technology and mark-making.

Lunchtime for our 2 and 3 year olds!
Our 2 and 3 year olds are developing their cognitive skills, language and communication, social and emotional skills and improving their physical development. However they think they are just having fun!

The Home Corner encourages imaginative play.

Time for a quick story before home-time.

Its 3.30pm and The Ark After-School Club is in full swing. These girls are tackling a bit of home-work together before having a snack.

At 6pm The Ark closes it’s door for the night. Hundreds of our children have enjoyed using The Ark over the years. Charlotte, Year 4, has been using the After-School Club since she was in Reception. She said, “I like going to the Ark because I like playing games and it’s always fun!”
Reception have been reading “What the Ladybird Heard” by Julia Donaldson.

Dressing a couple of the children as ladybirds to encourage the ladybirds to come out, the class pulled on their wellies and went on a search of the school field.
Weekly Attendance
The whole school attendance target for Provost Williams Primary School is 96.1%
Please remember to call the office before morning registration if your child is absent.

This is the attendance percentage for each class.

Good Citizen Award:
Keira

Awards are announced on a Thursday afternoon by text. Parents are invited to our Celebration Assembly Friday at 9.00am

Top of the Long Rope Skipping League this week, with an incredible 215, is Corey!
Well done to Mrs Pooler for turning the rope for so long, we hope your arm is feeling better soon.

BE WISE IMMUNISE
IMMUNISATION TEAM
KEEPING YOU SAFE

Don't forget to send back those blue forms giving consent for the flu immunisation. We cannot take consent by phone on the day.

World War 1 Topic
Year 1 made World War 1 medals out of clay on Wednesday.
Year 4’s Science lesson on Tuesday with Mr Lee encouraged them to ask questions about various materials including wood, metal, plastic, fabric, carpet and brick. Recording the information allowed them to compare the properties of each item.
Miss Hall hosted a Good Citizen Tea Party on Friday, to celebrate and thank the group of children who have been awarded Good Citizen this half term.

Have a lovely Half Term, see you all on Tuesday 6th November.
