Faith in Ourselves, Hope for the Future, Love for Each Other
Newsletter –9th November 2018

Dear Parents / Carers,

Welcome back, I hope you all had a restful half term. We have had a very busy week in school this week with some of our older children representing us at the Sports Hall Athletics competition whilst others in Year 5 attended a science day where they had to test different soil samples to see which could have come from Mars! All our children represented our school so well living out our values of respect and perseverance.

We have also been using respect and thankfulness this week as we have been learning about and remembering those who died in WW1. We had a beautiful assembly this afternoon where each class shared their learning and I been incredibly proud of how our children have shown understanding and empathy at all ages and levels.

Have a lovely weekend,

Kind regards,

Mrs Karen Williams

Head Teacher

Non-school uniform day - Weds 5th December
There is a non-school uniform day planned for Weds 5th December. We are asking that instead of paying a donation you send your child to school with some chocolate to give to the chocolate tombola which is always a great success at the Christmas Fair. We are very grateful for the donations large and small which make the tombola such fun for the kids to play.

Wishing you an enjoyable half term

Let's get creative this November - we're giving your pupils the chance to design this year's Cool Milk Christmas card (and win some great prizes).

To be in with a chance to win just ask your pupils to put pen to paper. We'd love to see colourful creations that involve milk in some way, or with a more calcium-centric take on traditional Christmas imagery - don't be afraid to milk it!

To enter, [download our entry form](#), which you can then print off and distribute among your pupils. Once completed, post the entry forms back to **FREEPOST Cool Milk** (no further address needed) by **Friday 23rd November**.

The winning design will be professionally printed and delivered to hundreds of educational settings across the UK, and we'll send the winning pupil some copies of their own to share out among friends and family. But that's not all; they'll also receive a **£50 Amazon gift card**. Two runners-up will win **£25 Amazon Gift Cards** too.
