

# Forest Wood

November  
2018

Thank you for your continued support last half term. Your comments and updates in books, books being brought every day and children having spare clothes is very much appreciated. We hope that this half term is as successful as the last one!

## Clothing and Uniform

I hope you all received the letter regarding the optional uniform.

Black or grey bottoms, blue or white polo shirt and burgundy or black jumper.

Please consider your child's needs when dressing them. For example if they are working on developing independence when using the toilet, jogging bottoms or elasticated trousers might be more suitable than trousers with a tricky button and zip.

Where possible, please label clothes.

## Outdoor Clothing

Now the weather is turning wetter and colder we would really appreciate every child having a pair of wellies (or an additional set of footwear) at school.

Thank you to those who have already provided these.

As you're aware we go outside in all weathers. We will always change children if their clothes become wet but if you would prefer to send in a rain suit, all in one waterproof or waterproof trousers and coat to leave at school so that they can fully enjoy the outdoors then please do so.

## Evisense

Everyone should have received an email from Evisense with instructions to follow to activate your account thus enabling you to view photos and comments recorded by staff on your child. One parent has made me aware of a problem which I am following up with Evisense. If anyone else is having problems viewing their child's Evisense please let me know so they can be rectified.

## Labelling

Please ensure anything you send to leave in school is labelled with your child's name. We always endeavour to return the correct items but at times this can be challenging! (Especially when several children take their socks off!)

## New Starters

I am delighted to say that a new pupil has started this week and over the coming weeks and months expect to have a few more new starters.

## Snack Money

Thank you to those who regularly provide snack money. We are keen to offer the children a wide variety of snacks and would appreciate it if everyone could contribute £1 a week (or whatever you are able) towards the costs of the snacks. If you would prefer to send money for the half term it is a total of £7. Thank you in advance.
