

To whom it may concern

**Chudleigh C of E Primary School
School Expansion and Provision of All Weather 3G Pitch
Presentation Evening – Wednesday 21st November 2018**

I write on behalf of Devon County Council regarding the proposal to expand Chudleigh C of E Primary School.

Chudleigh, in common with many towns across Devon and the rest of the country is experiencing a significant and ongoing increase in demand for primary school places. This is due to both demographic changes and significant housing development in the locality. Pupil numbers are proposed to increase from 420 to 525.

The proposals include 2 new general teaching classrooms, art studio, SEN resource base, library, toilets/cloaks, other support spaces and some remodelling of existing accommodation. There are also plans to upgrade the existing sports field to an all-weather 3G pitch (no floodlighting).

We wish to invite you to a presentation evening to be held in the school hall on **Wednesday 21st November 2018 between 3.30pm and 6.30pm** where you will be able to discuss the proposals with the Head Teacher, Devon County Council Project Manager and the Architect in more detail. The current plans will be on display to view.

Yours sincerely

Claire Walkey
