

# Foundation Stage 1 Newsletter November 2018

This term our theme is...

Food Glorious Food!

During this theme we will be reading a range of traditional stories. We will be learning the stories so we will be able to talk about the main characters and retell the key events. To support our understanding of the stories we will be using our creative skills to create a range of different art and craft projects. Our maths learning will also be linked to the stories we are reading so we will be finding out about size, sorting and practising our counting skills.
