12th November 2018

Dear Parents & Carers,

Social Media Safety

It has come to our attention that over the weekend some of our children have received inappropriate images via Instagram and messages via social media. We are therefore worried about the online safety of all our children. We have instructed parents involved to contact the police.

Please can we remind you that primary age school children should not have access to Instagram.

Whilst we work together with the children to highlight the dangers, worryingly a large proportion of Summerfield children follow or are following unknown contacts online. To keep your child safe, we recommend that you delete any means of your child being contacted by a stranger please take the time to remind them of the need to be safe online.

Yours faithfully,

Mr Ian Fraser
Headteacher
