

Year 4

Friendly Frogs

Autumn 2

Dear Parent,

I hope you had a good holiday.

To help your child make progress this year there are a few things that you could do to help them:

- Encourage them to complete their homework and return it on time
- Encourage them to learn their spellings so that they are able to use them correctly in their writing.
- Encouraging them to read at home

The children's homework project this half term will be on animals of the desert and the Nile. It can be about anything we have learnt over the term. The children are able to present their work however they wish. Projects will be presented week commencing 17th December. If you would like to email anything linked with projects my email is:

j.chafen@jumpprimary.org.uk

I hope the copy of medium term planning is useful in helping you to support your child's learning. If you have any queries please do not hesitate to approach Mrs Chafen who is available at the end of the school day to answer your queries or concerns or to talk about your child's progress and interests at Jump Primary School.

Mrs J Chafen

Class Teacher

Mrs K Falconer

Headteacher

IMPORTANT INFORMATION

PE

PE is on a Tuesday afternoon. The children will need outdoor PE kit. This will need to include a change of footwear

Swimming

Swimming will still be on a Friday morning.

Guitars

Once these have been given out they will need to be returned every Monday for guitar lesson.

Homework

Spelling

Spellings will be sent out on a Monday and then tested on the following Monday.

Maths

This will be on the children's abacus logon once a week. The children also have access to Times table rockstars.

Literacy

This will be sent as is required.

Reading

Children need to be reading on a daily basis and their reading record completed.

Literacy

- Story opening with suspense, linked with their history topic
- Poetry about creating images.
- Prepositions
- Developing their use of adventurous language.
- Children will also receive weekly spellings

Numeracy

- Doubling and halving
- Fractions - including being able to reduce fractions to their simplest form
- Place values, including decimals
- Written methods for the 4 operations
- Being able to round 4 digit numbers
- Converting a variety of measures
- Interpreting data, including creating bar graphs.

Year 4

Autumn 2

Ancient Egyptians

PSHCE/RE

Getting on and falling out.

Looking at being able to solve their own problems within their friendship groups

Science - Changes of state

- Being able to group different materials.
- Being able to observe different changes in state and record their findings.
- Investigate and understand the water cycle and its importance.

Trip to Yorkshire water.

History and Art

Ancient Egyptians

- Gods and goddesses - who they were and what they stood for.
- Pyramids and tombs - why the ancient Egyptians have them.
- Mummies - how and why they were made.
- Making papyrus pictures.

Music

Weekly guitar lessons with Mr Waller

RE - Hinduism

Holi - why is this special to Hindus.

We will also be looking at its links with different religions.
