

## Mission Statement

We in Killard House School have, along with parents, a primary responsibility for the care, welfare and safety of the pupils in our charge and we will carry out this duty through our Pastoral Care Policy.

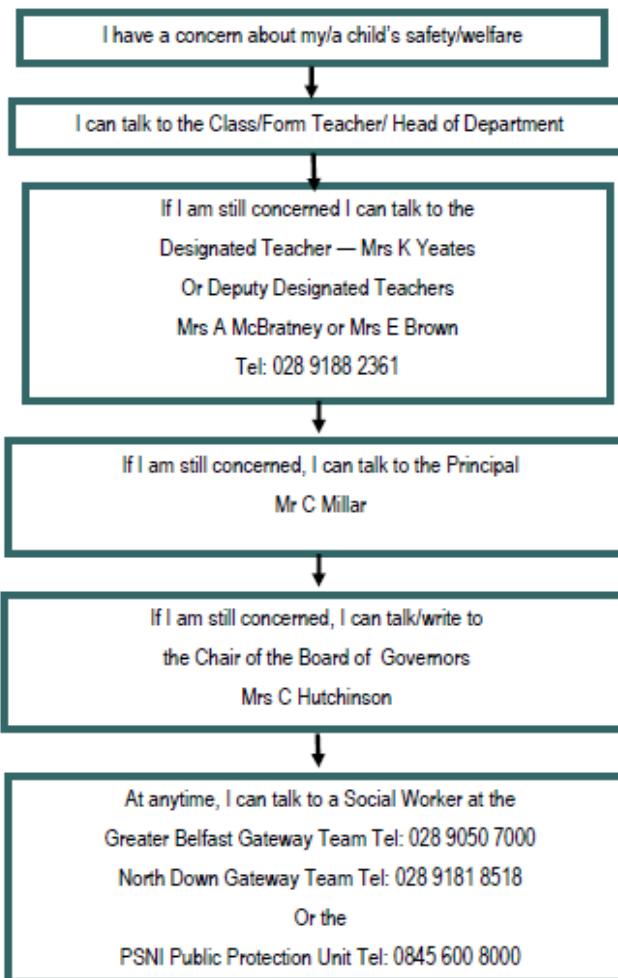

This aims to provide a caring, supportive and safe environment, valuing individuals for their unique talents and abilities, allowing all our young people to learn and develop to their full potential.

The Killard House School Safeguarding & Child Protection Policy sets out guidance on the action, which is required where abuse or neglect of a child is suspected and outlines referral procedures within our school

Safeguarding & Child Protection Policy is available to any parent/guardian on the school website or a hard copy from the school on request.
