Dear Parent / Carer,

Your child has been chosen to attend 'STEM In Action', a Maths, Science and Engineering event held at Hull Collegiate School.

The visit to Hull Collegiate will be held on **Thursday 22nd November 2018** and is **free of charge** to attend. The event is comprised of five workshops run by local businesses and STEM ambassadors. These workshops will complement and enhance the KS2 National Curriculum and will allow your child to experience a hands-on approach to Science, Maths and Technology. We have offered this event to gifted and talented children in both year five and year 6 who would benefit from this unique learning experience.

We will be walking to and from the event, and the journey will take 25 minutes. We will set off from school at 9:00am and return to school at around 3:00pm, before the end of the school day. Children will leave Anlaby Primary School as normal. Your child should bring a packed lunch and something to drink, which will be stored safely on arrival at Hull Collegiate.

Please confirm that you are happy for your child to attend by returning a signed consent form below. The deadline for this form is **Friday 16th November**.

Yours sincerely,
Miss Davies
KS2 Teacher

STEM In Action at Hull Collegiate School

I give consent for my child: _____
to take part in a visit to Hull Collegiate School.

Class: _____

Signed: _____
