

**A Community of  
Learning...Growing  
Together.**

Holme St Cuthbert is a small and popular school and is situated just outside the village of Mawbray on the Solway Plain. We pride ourselves on being a caring community where children are valued as individuals and encouraged to reach their full potential.

We all work hard to provide a safe, caring and stimulating environment where children can continue to develop their learning skills, their curiosity for knowledge and become independent learners.

Children's education is a partnership between parents and ourselves and we welcome parents into school.

We hope you enjoy your visit to our new website which will be developing all the time. If you can't find the information you are looking for, please feel free to contact the school with any queries you may have.

**Ofsted judgements 2017**

"The leadership team has maintained the good quality of education in the school since the last inspection. You are passionate about your school and you lead a dedicated team of staff. You have created a friendly, safe place for pupils to learn and pupils, parents and governors are positive about the changes that you have implemented. There is a strong focus on each pupil developing their own individuality and confidence."

*"The leadership of safeguarding in the school is very strong. Your awareness of new updates shows a vigilant attitude, which is reflected in the staff."*

*"The school is proud of its strengths in safeguarding that sustain the focus on keeping pupils secure and happy."*
