Tuesday 13th November 2018

Dear Parents,

As part of our continuing Enabling Enterprise project, Year 2 will be opening a Lighthouse café for one morning only! The café will be held in the school hall on Thursday 6th December at 9:30 and will close at 10:30. Each child may invite two adults to attend the café.

The children will be baking and decorating their own treats which they will be pricing themselves and selling to their guests along with fruit and cold soft drinks. All funds raised will be put towards money off the trip to Mountfitchet Castle in the Summer term.

We look forward to seeing as many friendly faces as possible!

Kind regards

Mrs Austin-Warwick, Mrs Adams and Miss Short
