What is bullying?

Bullying is when someone who **hurts** another person **more than once**, by using behaviour which is meant to **scare, hurt** or **upset** that person.

At our school, we use the word '**STOP**' to identify bullying:

Several
Times
On
Purpose

It is important to remember that **single problems** and **falling out with friends** are **not bullying**.

Bullying is behaviour which is **repeated** on purpose and is meant to **upset** someone.

Types of bullying

Bullying can be different things, and isn't just hitting or kicking another person.

Emotional bullying is hurting someone's feelings, leaving them out or bossing them about.

Physical bullying is punching, kicking, spitting, hitting or pushing someone.

Verbal bullying is teasing someone, calling them names or using hand signs. People can also use verbal bullying to be **racist** or **homophobic**.

Racist means bullying someone because of their skin colour, race or what they believe in.

Homophobic means bullying someone because of their gender or sexuality; calling someone gay or lesbian would be homophobic.

Sexist means bullying someone because of their sex (whether they are a boy or a girl).

Cyber bullying involves sending horrid messages over the internet or by text message.

Bullying can be done through **another person**, by one person sending another person to say nasty things.

What should I do if I am being bullied?

If you are being bullied, the first thing you should do is tell the bully to **stop**.

You can also:

- Make eye contact and tell the bully to leave you alone.
- Ignore the bully and walk away.
- Tell a grown-up, such as your parent, carer or teacher.
- Tell an Anti-Bullying Ambassador. There is a display in the hall showing all Ambassadors.

You should try not to:

- **Do** what the bully says.
- Let what the bully says or does **upset** you.
- Get **angry** or hit them.

Always remember that if you are being bullied, it is **not your fault** and you are **never alone**.

You shouldn't be scared to **talk to someone** if you are being bullied. If you talk to a grown-up, we can **make the bullying stop**.

What should I do if I see someone else being bullied?

If you see someone else being bullied, it is important that you **help** that person.

You should **never walk away** and **ignore** the bullying if you see someone else being bullied, because the bully will keep on upsetting that person.

If you can, and it is **safe**, tell the bully to **stop**, but never get angry or hit them.

Tell an Anti-Bullying Ambassador or Mrs Riley, the anti-bullying member of staff.

Tell a grown-up, such as a teacher, as soon as you've seen someone being bullied.

Grown-ups can **stop the bullying** and make that person feel **happy** again.

You should **never feel scared** to tell someone about bullying

Who can I talk to?

It is important that you **tell someone** as soon as you are being bullied, or you notice someone else being bullied.

Speaking to someone like your **mum, dad, carer** or **teacher** will mean that we can make sure the **bullying stops** and doesn't happen again. In school, every class has 2 anti-bullying ambassadors who will always listen to you and can speak to the anti-bullying staff member (Mrs Riley).

You can also talk to any grown-up in school that you feel comfortable speaking to.

How can I help stop bullying from happening?

We can all help stop bullying at our school by:

- Making sure we keep to the **rules** in this guide.
- **Helping others** when they are in need.
- Being **kind, friendly** and **respectful** to others.
- Thinking about people's **feelings** before we say or do something.
- Taking part in **anti-bullying week**.
