Acting Headteacher: Michael Dean

14th November 2018

Dear Parents,

Building up-date

As we are approaching the final stages of the replacement panelling and windows, we will be experiencing, possibly, the most disruptive time and this is due to the replacement glazing in the stairwells and end classrooms in the main teaching block.

From tomorrow, Thursday 15th November, the entrance into the school building from the bottom playground will be closed off. This will mean that the children in Years 2 to 6 will enter and exit the school building via the dining room doors. This arrangement should last approximately 3 weeks.

We are hoping all the glazing works will be completed and the scaffolding removed by the end of this term. However, we have been informed that work on replacing the school's roof is due to commence in the new year.

I would like to thank you for your patience and support, but mostly, I would like to thank the children, who have felt the most disruption, and have, on occasions, been housed in makeshift classrooms at very short notice.

Yours sincerely,

A handwritten signature in black ink, appearing to be 'Mike Dean', written over a horizontal line.

Mike Dean
Acting Headteacher
