Acting Headteacher: Michael Dean

Academic Year 2018-2019

Dear Parents,

E-Safety

ICT, including the Internet, email and mobile technologies, has become an important part of learning in our school. We expect all children to be safe and responsible when using ICT.

Please read and discuss these e-Safety rules attached with your child and return the slip at the bottom of this page as soon as possible.

Please take care to ensure that appropriate systems are in place at home to protect and support your child/ren.

Yours sincerely,

A handwritten signature in black ink, appearing to be 'Mike Dean', written over a white background.

Acceptable Use Agreement / E-Safety Rules

- I will only use Computing in school, for school purposes.
- I will only open e-mail attachments from people I know, or who my teacher has approved.
- I will not tell other people my Computing passwords.
- I will only open/delete my own files.
- I will make sure that all Computing contact with other children and adults is responsible, polite and sensible.
- I will not deliberately look for, save or send anything that could be unpleasant or nasty. If I accidentally find anything like this, I will tell my teacher immediately.
- I will not give out my own details such as my name, phone number or home address. I will not arrange to meet someone unless this is part of a school project approved by my teacher and a responsible adult comes with me.
- I will be responsible for my behaviour when using Computing because I know that these rules are to keep me safe.
- I know that my use of Computing can be checked and that my parent / carer will be contacted if a member of school staff is concerned about my e-Safety.
