Academic Year 2018-2019

Dear Parents,

## Participation in Short Visits from September 2018 to July 2019

Before we can take a child out of school for any reason we need parental permission.

We would appreciate your blanket permission for those visits that are near and do not involve transportation or cost. An example of such a visit would be to a local church or shops, or to Hampson Park or Fairlands Valley Lakes.

We will inform you of any visits that will be taking place beforehand, and inform you of what the children will need to bring in terms of clothing etc. but we will not require a reply slip. If for some reason you would not wish your child to take part, you would then need to inform the school in writing.

This permission slip must be renewed at the beginning of each academic year or when your child starts at school if it is within the year.

I would like to emphasise that if there is transportation involved and/or there is a cost, you will be informed and further written consent will be required.

Yours sincerely,
