

Owl Class Newsletter

Friday 7th September 2018

Dear Parents,

Wow what a lovely class we have! Your children have settled into School really well and we are very proud of them. Every day we are updating the board outside school with information on what we have been learning. Our topic this term is "People who help us" and after Half Term this will change to "What happens when I fall to sleep?"

Please can you write on the whiteboard inside the classroom door if your child is being collected by anyone other than yourselves or they are going to Preschool for the afternoon.

We are working with the children to help them to recognise and write (using the correct letter formation) their own names. We will be doing this in several different mediums including:- sand, paint, water, pens and pencils. Please can you practise with your child.

We are now changing your child's sharing book on Mondays, Wednesdays and Fridays - if you have any concerns or questions please ask.

Our number boxes will be coming home with instructions and ideas of how to use them.

"Show and Tell" will be on Mondays. One child a week will take home the "Show and Tell Box" They can put an interesting object that they would like to tell the class about in the box and bring it in Monday. Please make sure that this is not a valuable or precious item.

You will find "Wow moment notes" in your child's Reading Record - Please fill these in so we can celebrate your child's achievements in School. Examples : Tom swam all the way across the pool today. Pip rode her bike without any help.

As the weather is becoming more changeable, please can we always have a coat in school for your child.

Please can you also note that we have a child in school with a severe nut allergy and we are a nut free School. Please make sure your child's lunches do not contain any nuts.

Thank you

Maria Madeley / Caroline Holdway
