The Jungle Book – retelling

It was 7 o'clock on a boiling hot evening in the Seeonee Hills. Father Wolf scratches himself as he wakes up. He was going to hunt for a moose for his family, when Father Wolf hunts the Jackal (Tabaqui), comes over to the baby cubs to bless them.

Shere Khan always absquatulates before any of

the other animals get there, so they can't eat his food but they had something else in their mind. Father Wolf set up an abyss so Shere Khan should fall into the trap and get stuck.

Father Wolf was angry from the law of the Jungle, Tabaqui came over to see how he was. He was not happy, Father Wolf shouted at Tabaqui saying "Get out, go hunt with the tiger."
