

Maths

We will be focusing on:

- Counting and place value
- Reading and writing numbers to 20
- Solving addition and subtraction problems

Religious Education

The children will take part in Harvest Festival at Church.
The children will be thinking about creators and think about the creator of the world.

Literacy

Key Text 1 -Handa's surprise

Handa wants to take a basket of tangerines to her friend but loses them along the way and African animals are involved. We will sequence the story and use adjectives to describe the fruit.

Key Text 2- Supertato

Supertato saves the day when the evil pea causes trouble amongst the other vegetables. We will be learning to write character descriptions, speech bubbles and make predictions and inferences about a text.

Geography

Children will find out about different foods grown in the UK and around the world. We will locate the places on maps. The children will discuss their own locality and draw simple maps. There will be a trip to Tesco to buy ingredients to make smoothies, buy the fruit in Handa's story and note all the different places they are grown.

Food Around the World

Year 1 Autumn Term 1

History

We will look at how the harvest was brought in during the 1900s compared with now (link with RE).

Computing

We will use programs such as 2 Paint to create pictures and learn to use the tools effectively.

Extra Information

Whole class phonics will take place on a daily basis. Interventions will take place for those children needing additional support.

Science

The children will use their senses to examine different foods and will make a booklet about the five senses. They will be tasting a variety of foods and finding out how these foods grow.

Music

The children will use percussion instruments to create their own rhythmic patterns. We will look at dynamics and how to use our voices expressively.

PSHE and SEAL

We will be exploring different feelings and learning to express them. Children will devise a set of class rules and will learn about "New Beginnings".

DT

The children will plan and make their very own smoothies.

Art

The children will use sketch books to draw fruit and vegetables and illustrate parts of Handa's Surprise.

P.E.

Dance - creative movement connected to the story of Handa's Surprise.
Outdoor team games.
