Marks & Spencer Your School Uniform **Autumn/Winter '18 Newsletter**

Dear Parent or Carer

As the clocks turn back and we can feel the chill of winter approaching we thought it a good time to highlight certain features of our M&S Your School Uniform Products and Services.

Not just school specific uniform!

You may have noticed we have a 'Plain Uniform' section on our M&S Your School Uniform homepage – if you haven't seen this yet, scroll down and take a look! You will find a range of our best-selling items such as trousers, skirts, jackets and shirts for you to purchase along with your school specific items. It is proving popular and we hope to add further to it.

Stock unavailable?

If you find the item you need is out of stock and unavailable to buy, please do remember to fill in your email address and register your interest. You can do this in the box just below the 'unavailable' message. We will then ensure the request is added to the embroidery production plan to get it back in to stock as soon as possible. When it is back in stock you will receive an email from us.

Free postage just got better!

We have reduced the threshold whereby you qualify for free postage from £50 to just £30 so do take advantage of it while you can.

And don't forget, every purchase you make from your School's pages brings a cashback benefit to the school!

Here's to a keep-warm winter – only a few weeks left to Christmas!

Best wishes

The M&S Your School Uniform Team
