Topic

Our topic this term focuses on family celebrations and winter festivals. Linked to winter festivals we will explore colour, light and dark. We begin with fireworks and Bonfire Night talking about why we celebrate this event and Fire Safety. We will then be remembering those who gave so much when we explore the meaning of Remembrance Day. Birthdays, Christenings and Weddings will be shared and recreated and we will compare our family experiences with others in the class and look at how these are celebrated in other cultures. We then look forward to our own Christian celebration as we begin our learning about Advent and Christmas.
