

Coquet Park First School

Pupil Premium Strategy Statement 2018/19

Summary Information					
School	Coquet Park First School				
Academic Year	2018/19	Total Pupil Premium Budget	£21 080 (indicative)	Date of most recent PP Review	Sept 2018
Total number of pupils (N-Year 4) (September 2016)	183	Number of pupils eligible for PP (Rec – Year 4 2016)	13 FSM, Ever 6, Post LAC, Service	Date of next internal review of this strategy	July 2019

Background Information	<p>The Pupil Premium, which is in addition to main school funding, was introduced in April 2011. It is allocated to pupils from low income families, currently known to be eligible for free school meals (FSM), for pupils in care who have been continuously looked after for six months and for pupils of Service families.</p> <p>In 2014, schools received additional funding through Pupil Premium, for children adopted from care. Schools are free to decide how to best use the premium but it should be spent in order to improve educational attainment for children from less privileged backgrounds. To find out more about eligibility for Free School Meals, please visit the North Tyneside website.</p> <p>September 2018 saw an increase in funding to:</p> <p>£ 1320 FSM/Ever 6 £300 Service £2300 Looked After Children £2300 Post Adopted</p>
School Context	Pupils eligible for Free School Meals (FSM) at Coquet Park First School are below the National Average.

How we will spend the pupil premium 2018-19

For the academic year our funding will be £21, 080 (indicative). In previous years the funding has targeted a range of additional support as outlined below, subsidised directly by the school budget to allow for challenge and support for Pupil Premium pupils.

- Attachment Training for all school staff and focused pupil mental health training for specific SLT staff to action throughout school
- Additional support for pupil premium pupils who did not achieve their ELG's in Reception. There will also be dedicated small group work for pupils to raise attainment and progress in writing and reading. Year 1.
- Year 1 – additional small group and individual support to extend academic progress and support social and emotional needs
- Year 2 additional targeted support for social and emotional and academic progress in key areas of reading, writing and maths.
- Small group and targeted support for pupils to accelerate progress. Detailed identification of specific needs and programmes in place to support these.
- Year 2 (final term) and 3 will access First Class Number – small group targeted intervention to raise understanding and attainment in key skills for mathematics
- Year 3 and Year 4 – targeted support to raise attainment and progress for reading, writing and maths through TA and teacher intervention
- Year 4 residential supported financially for all pupil premium pupils
- STEM – aspirational workshops and opportunities

Additional programmes and interventions will supplement the above, as in previous years.

Coquet Park First School

Pupil Premium Strategy Statement 2017/18
