## Requests for help

Newbridge  
Primary School

## Learning in Year 3 Term 2 – 2018/19

### The start of the school day

All pupils need to be in the classroom by 8:55am and can come in from 8:45am.

If for any reason you are late bringing your child to school, please proceed to the office and sign them in.

If your child is ill, please contact the office on each day of absence.

Remember that if your pick up arrangements change in exceptional circumstances during the day, please call the school to notify the teacher.

### Equipment your child needs every day

A filled water bottle  
Back pack, reading book and Reading Record  
PE Kit  
A coat  
Uniform in line with the school code of dress and named  
A packed lunch, if your child usually has one.

## Our Teaching Assistants

# Learning in Year 3 Term 2 – 2018/19

## Science

- Know light is needed in order to see things
- Understand how light is reflected and that light from the sun can be dangerous. Recognise that shadows are formed when the light from a light source is blocked by an opaque object

## Computing

- Researching information using the internet.
- E-safety – responding to inappropriate content on the internet.

## Religious Education

- Christianity and Judaism
- What is important to me?

## PSHE

- Getting on and falling out. How can we help others?

## Our Newbridge Journey

### Our enquiry is:

What makes a good children's book?

### This means we will be learning about:

How authors engage the reader.

Descriptive and figurative language.

### The key skills we will be developing are:

I can plan tasks and adapt them to achieve what I set out to do.

I can give positive feedback and advice to others

I can play with my imagination to bring ideas to life.

## Mathematics

- Adding and subtracting mental and written strategies
- Problem solving, including missing numbers
- Recall and use multiplication and division facts.
- Count in multiples. Solve problems that require use of division and multiplication.
- Measure, compare and subtract length

## Geography

- How the length of the day changes with the seasons and why.

## Music

- Animal magic: exploring descriptive sounds
- Composing

## Design Technology

- Making a novelty book.
- Christmas/ winter activities

## Home Learning

- Times tables: 2x, 5x, 10x, followed by 3x, 4x, and 8x
- Reading at least 3 times a week at home
- Maths with Parents
- Weekly Spellings
- Home Learning activities.

## British Values

- Mutual respect for those with different faiths and beliefs and for those without faith
