Long Buckby – Damville Twinning

Did you know?

Around 20 families, including couples and singles of all ages from the Long Buckby area, are twinned with families in the Damville area in Normandy. More French families are waiting for new English families to join the group. We are particularly looking for couples or families to host 3 new French families with young children and a couple in their mid-40s.

One year, we host the families in our own homes for a weekend of fun activities. The next year, they host us in their homes.

The Long Buckby group also enjoys social events all year round!

You don't have to speak French to enjoy the twinning experience!

On our 2018 visit to Normandy, we enjoyed cheese, cider and lots of laughs!

In 2019, we are hosting our French friends from Friday April 12th to Monday April 15th.

Interested? Want to know more?

Give us a call or drop us an e-mail to find out more and how you could take part.
