Parents/Carers Evening

Again thank you so much to the 68% of parents/carers who came along to look at their child's work and new class.

It is always lovely to see the children sharing their learning with you.

Lunch Money

Just another reminder that the cost of a lunch has gone up to £2.10.

Can you ensure that all lunch money is paid to school during the week the lunch (es) are taken. **Money has to be in a sealed named envelope.**

Lunch money pockets can be purchased from the school office for £2 (38 in a pack).

Safeguarding/Safety

We have now replaced our gates at the front of the school with audio and visual entry systems. The big gates are ELECTRIC so please do not try to open/close them manually. We are looking at reducing the time lapse of you buzzing and the gates opening. The small pedestrian gate is not electric so when you have buzzed you have to open and close it behind you as it works MAGNETICALLY.

Thank you for your continued support.

Student update and Consent forms.

Thank you so much to all that have returned them. We still have some outstanding and it is vitally important that we have the most up to date details in cases of emergencies.

We are in the top 6% of all primary schools in the country with our teaching of Phonics and early reading.

Please read the attached letter from Rt Hon Nick Gibb MP and Minister of Stated for School Standards.

KS1 Playground Markings and new Tyre Park.

Well done to all the previous School Councils who have raised £4000 towards the KS1 Tyre Park.

A big thank you to the PTA who have given the additional £2000 for the Tyre Park and paid over £1000 for the playground markings.

Please continue to support all PTA events as it provides things for the pupils that our Budget cannot support.
