## Year 3 Road Safety

For the last two weeks Year 3 have been learning about the Green Cross Code with a team from Kirklees. They have learnt how to look for a safe place to cross and even crossed the road on their own! Remember – stop, look, listen, and think.

## Reception

This week the children in Reception did balanceability. The children had great fun learning to ride a balance bike. At first many of the children were wobbly on the bikes but by the end of the week everyone could push off and glide. The children all showed great resilience and the instructor was very pleased with their behaviour and effort.

Letters have been sent this week for a Story with Santa and Christmas Market which is on Saturday 8<sup>th</sup> December. Please return the completed slip to the school with the correct money in a sealed envelope. Paper copies available from the school office.
