Hempstalls Triathlon 2018

Well done to all that participated in our Hempstalls Triathlon-you raised an amazing total of £1272! These funds will be used to purchase new sports equipment for our school.

Thank you for your response from the Homework Questionnaire that was sent out earlier this week. We will be looking at the feedback over the next half term.

This week is 'Anti-Bullying Week'. The children have participated in activities around anti-bullying and have thoroughly enjoyed it. We hope that you will support this at home.

Next week is Road Safety Week. Throughout the duration of the week, we will be visited by DPD, a fire engine and other people regarding road awareness.

It was great to see so many parents attend the Maths Workshop's with Mr Harley-thanks for making the effort to come along! So many parents were getting to grips with the Concrete, Pictorial, Abstract Approach (CPA). It also enabled Parents to develop further knowledge and understanding of 4 calculations (addition, subtraction, division and multiplication). We hope that you enjoyed getting an insight of how pupils at Hempstalls learn Maths!

Grandparent Lunches

We will be arranging Grandparent Lunches over the next few weeks, please look out for individual letters.
