We are very proud to announce that we have a revised vision and values that we are much looking forward to sharing with you over the next few weeks. Thank you all for your honest feedback and contributions. We now have a vision that will support the community on the next stage of our journey.

Exciting times lie ahead!

Our vision:-

We aspire to be a kind and creative learning community where we support and challenge each other to be the best we can be.

Our 4 core values that will underpin all our work are:-

Compassion  
Community  
Courage  
Creativity

Our learning code:-

We also have a new learning code which will support all of us in our learning.

Our children decided that it should be called 'learning code' instead of 'rules' which we all think is very sensible.

Be kind  
Be respectful  
Be safe  
Be your best

We will be developing our children's understanding of these codes over the weeks and terms ahead.

## Parent/Carer Learning Conversations

I will be joining these meetings next week and look forward to meeting some of you then. The meetings are time limited but we appreciate that you may need more time to talk. If this is the case, then please ask your child's teacher to arrange an additional time.

### **Curiosity bags**

Mrs Rose has been working hard to create some engaging curiosity bags to support your child with learning at home. If you would like to know more then please speak to your child's class teacher or Mrs Rose

### **Safe Parking**

As a small school we are fortunate to have allocated parking space and I have been monitoring its use over the past few weeks. We can only keep our community safe if everyone is mindful of our limited space and parks safely.

I would like to remind everyone using the car park to keep paths and access points clear.

Myself and a colleague will be carrying out a risk assessment of our parking area so that we can all benefit from its safe use.

### **Armistice Commemoration**

Please remember to wear your black (Bluebell and Sheepway) or red (Priory, Conygar & Windmill) tops on Monday for the Poppy photograph.

### **Spelling, Grammar and Punctuation Family Learning- Key Stage 2**

We have unfortunately had to postpone our planned session for 21/11/18 and will now hold this event on 3/12/18 in our hall between 2-3pm. We would love to see as many of you there as possible and we will be looking at different ways we teach spelling, grammar and punctuation, activities that will support your child and the curriculum expectations.
