

Cheers

Well done!!!

To All pupils, staff and helpers involved
The Tempest production and execution!!!

This was a memorial performance at
Re W yvern on Wednesday Night something
to be really proud of.

As a grandparent I was impressed by
the impeccable behaviour of the pupils &
delivering a good performance.
The adjudicator gave a glowing citation

of the way the play delivered and
presented by everyone working together.
Thank you for your hard work.
