

Please tell us about anything which you like and value about our school

School really helped with my little boy. Thank you so much for being so patient.

Strong school team. Brilliant teaching ideas and subjects that grab the pupils attention and encourage them to learn.

I feel the school is very positive about inclusivity. I like that manner and attitude to others are valued and encourage positivity.

Organised good communication, friendly and approachable.

Pupil centred and every child is valued.

Outstanding teaching and support staff.

Staff are approachable and helpful with concerns.

Girls football team gives a good opportunity to develop skills. Friendly and approachable staff.

The caring, pupil based environment is welcoming and positive.

Great communications– always feel well informed on child's progress

I value the leadership inclusivity, encouragement and communication within the school. I feel my child matters and has opportunities to develop to reach her full potential.

I like the sense of community and belonging which is encouraged throughout the school.

Allowing children time to play in the snow was a really nice touch this year.

Staff are very friendly and caring towards my child. I feel that all staff know the students and relationships are strong. Because of this my child is happy and enjoys school.

We really appreciate how inclusive the school is. The staff all seem very caring and 'involved' with the children and parents.

I like the weekly letter in pink books (EYFS) and feel this is important and informative, especially in their first year. 'Welly Wednesday' and I know my children like regular art days.

Community attitude

The new app.

I think you've got things just right. BIG THANK YOU :)

I love how the staff encourage my child. They have brought a lot of confidence out, I love how parents are informed of calendars etc on the app. You offer a massive amount of opportunities for parents to get involved.

Please tell us about anything which you like and value about our school

The children have access to good equipment at play time with good improvements to the playground. The app is great for communication.

Schools sports day was much better this year. A little bit of competition between peers is no bad thing. I love the variety of activities the children get to experience during class time and through after school clubs.

The school continues to have a lovely, friendly atmosphere and the teachers and staff are always happy to help and answer questions. Thank you and well done to all the team during a busy and eventful year.

Great, dedicated teachers and leadership. A lovely community.

I feel most of the teachers and teaching assistants are approachable.

I feel the school has given my child lots of varied learning opportunities both inside and outside the classroom.

I love how much work is put into learning but also love how much fun things and activities the school does, i.e. nativities, pantomime, sports day.

My son loves school and has come on so much this year. Thank you for being amazing!

We feel the teaching staff care about the pupils.

Excellent staff throughout the school.

When my son became upset at school, I was so happy to see this was dealt with straight away so that he didn't suffer and got back to enjoying his lesson again! Thank you!

As always, I know that Coxhoe School is outstanding in every area. I'm proud to say that my daughter attends your school. Thank you!

Entire staff body (teachers, TAs, support staff) working together to make the school a happy place.

I am so happy with my daughter's progress. Her teacher has made her time exciting and has enabled her to make great progress and have a real love for learning!

I value the extra opportunities/experiences which the children are given to learn outside the set curriculum as I feel that this brings learning to life and inspires new ideas and imaginations to grow.

Coxhoe is an excellent school!

Mathletics

Please tell us about anything which you like and value about our school

Our child comes out of school each day smiling. He is keen each morning to go into school which is all we could ever ask for.

Lovely school. Very happy that our daughter is going to where all of her family also went .

The school continues to have a lovely, friendly atmosphere and the teachers and staff are always happy to help and answer questions. Thank you and well done to all of the team during a busy and eventful year.

Mr. Patterson is an exceptional teacher. He has given our son more confidence in one year than he has had in all of his school years. We cannot give him enough praise. Mrs. Caygill and Mr. Patterson are a credit to the school.

I love the variety of activities the children get to experience during class time and through after school clubs.

We're delighted with the school and our daughter's progress. Every teacher has contributed so much to her growth in all areas! Keep up the good work!!

The children have access to good equipment at play time with good improvements to the playground.

The App is great for communications.

I love how the staff encourage my child. They have brought a lot of confidence out in them.

I love how parents are informed of calendar events on the App.

You offer a massive amount of opportunities for parents to get involved.

I feel that most of the teachers and teaching assistants are approachable.

A friendly and safe school that all of my children have been happy at.

School staff are very friendly and approachable. The school has a lovely 'family' feel.

It is easy to approach staff about issues and concerns.

I would like ***** to catch up to his school level and hope this can be done. I think Coxhoe primary school has been brilliant and thank you to the teachers.

Please tell us about anything which you like and value about our school

I think the reception staff are very approachable and I can talk about any concern I might have, big or small.

I like the way the school do a lot of things for local charities. Also, I think it is lovely how the school like to make events for the family to enjoy. We really enjoyed some quality family time at sports day/ summer fair.

When a problem/issue is identified, the school works with the child's family closely to resolve this, listening to the views of the family without being judgemental.

Staff are very friendly and caring towards my child. I feel that all staff know the students and relationships are strong. Because of this, my child is happy and enjoys school.

I like that the school is welcoming and always there to listen and offer advice. Also always helpful to resolve issues.

I feel that the standard of education offered is the right level for each child.

Welcoming and always ready to listen and offer advice and help.

I feel the school is just fine.

The school has a warm, family atmosphere and has allowed my children to flourish.

I am happy with everything.

Your staff are amazing. Their enthusiasm and passion is fantastic. 'Welly Wednesday' is brilliant; both of my girls loved it and I hope it continues for future pupils.

Organised, friendly, approachable and good communication.

We like the politeness and respect accorded to all and that each child is encouraged to challenge themselves and reach their potential.

I like how the older children support the younger ones.

I like the pink diary (Foundation Stage) telling us what he's been up to. All of the 'above and beyond' things, e.g. pasta parties, special days and treats which you organise.

My son often talked about having fun in lessons while still learning.

Family friendly school.

Excellent teaching and great support. Staff get to know individual children and encourage them in their specific strengths and interests, caring for them as individuals.

I initially thought that there was a lot of homework but after seeing my son's progress, it has paid off.

Please tell us about anything which you like and value about our school

Great dedicated teachers, wise leadership and a lovely community.

The school, Miss Britton and TAs in Foundation Stage in particular have been absolutely brilliant with our daughter. They have gone above and beyond on a daily basis and we can't thank them enough for including our daughter as much as possible and for taking on the extra aspects of care she needs at the moment. A huge well done and thank you!

Mrs. Caygill has worked wonders this year with our son. He has really enjoyed his last year in primary and it's all down to her hard work and effort. She is an amazing asset to your team and we will miss her continued support. Many thanks to you all.
