(dooooodododoodooooo)

I hear the drums echoing tonight  
But she hears only whispers of some quiet conversation  
She's coming in, 12:30 flight

The **moonlit** wings reflect the stars that guide me  
towards salvation

I stopped an old man along the way  
Hoping to find some long forgotten words or ancient  
melodies  
He turned to me as if to say, "Hurry boy, it's waiting there  
for you"

It's gonna take a lot to drag me away from you  
There's nothing that a hundred men or more could ever do  
I bless the rains down in Africa  
Gonna take some time to do the things we never had

The wild dogs cry out in the night  
As they grow restless, longing for some soli-tary company  
I know that I must do what's right  
Sure as Kilimanjaro rises like Olympus above the Serengeti  
I seek to cure what's deep inside, frightened of this thing  
that I've become

It's gonna take a lot to drag me away from you  
There's nothing that a hundred men or more could ever do  
I bless the rains down in Africa  
Gonna take some time to do the things we never had

(Mrs Hirst Solo)

Hurry boy, she's waiting there for you

It's gonna take a lot to drag me away from you  
There's nothing that a hundred men or more could ever do  
I bless the rains down in Africa  
I bless the rains down in Africa  
(I bless the rain)  
I bless the rains down in Africa  
(I bless the rain)  
I bless the rains down in Africa  
I bless the rains down in Africa  
(Ah, gonna take the time)
