

Invitation from Misson Primary School

We are heading towards that time of year when our playground becomes a quagmire. We are considering redesigning and/or resurfacing the muddy area at the front of school. We do not have funding for this and have started to look at different options including increasing community access to this area to improve our chances of gaining funding. **We are very much at the beginning of the process and would like to share our thoughts with you and hear your views before moving forward.**

Please join us for a coffee and cake on

Tuesday 4th December 6.30 – 8.00
