

Dear Parents and Carers,

Please see below email and attached information from the Immunisation Team:

Dear Schools,

We are emailing you with information about planned community clinics across Devon for children that missed Flu vaccination in school due to absence or illness. As your school Flu Session has now taken place, please can we ask you to forward the attached letter and clinic information posters to all parents and carers. We are holding a number of clinics at various venues across Devon, Plymouth and Torbay throughout November and December and the information attached details how parents can book and attend these clinics.

*It is essential that parents call the **Direct Booking Line** during the booking line open hours to book a clinic appointment. We anticipate high uptake therefore it is really important parents understand that **we will be unable to vaccinate children that are brought to a clinic session without having booked an appointment or completed consent.***

Many thanks for your cooperation

The Immunisation Team

Devon Integrated Children's Services

Kind regards

31st October 2018

Dear Parents,

Flu Clinic appointments for children that were not vaccinated at school

We are writing as the provider of the school aged immunisations in Devon. Our community clinic bookings have now been confirmed and we are inviting parents to book an appointment for their child if the school session has already passed and you still wish your child to be vaccinated. Please see attached community clinic information.

Our dedicated appointment telephone line will be open from 9.30am – 3pm Tuesdays, Wednesdays and 9.30am – 12 noon on Thursdays throughout November and December to receive appointment requests. When telephoning please advise us if you have already completed an electronic form and have the reference code available if possible. Do not worry if you have yet to complete the consent process, as this can be undertaken by our team at the time of booking if desired.

Our clinic appointments are reserved for children that have missed their school date for whatever reason.

Please call our dedicated appointment telephone line **01392 356141** on a Tuesday, Wednesday or Thursday to book your child's clinic appointment. **Please note:** Only children with a booked appointment will be seen at clinic, due to anticipated high demand. Unfortunately we cannot offer walk in appointments on the day.

Thank you for supporting this important public health programme.

Yours faithfully,

Beccy Lyons
Immunisation Team Leader

Attached: Community Clinic Information
