

Lyneham Primary School Educational Visit

We are planning a Term 2 educational visit for our Yr3 children to tie in with the term's **Science** learning topic of **Forces & Magnets** -

Venue: **'We The Curious' Science Centre**

Date: **Thursday 13th December 2018**

Leaving school at: **9am**

Returning to school by: **4pm** (please note the slightly later return time)

Cost: **£18.00**

Meals: **Children will need to bring with them a packed lunch, plus a snack and plenty to drink (water) in a plastic bottle.**

The kitchen can provide a packed lunch if your child is entitled to free school lunches

Clothing: **Children need to wear their school uniform and school shoes/trainers for walking.**

Health and safety: **The children will be accompanied by qualified first aiders and a full risk assessment will be undertaken prior to the visit.**

I believe that this experience will be very valuable and enjoyable for the children, as well as enhancing their learning. I hope that there will be sufficient interest for the trip to go ahead.

Please keep this page for your information and complete and return the attached slip with your payment by Friday 30th November.

**John Read
Headteacher**

Visit to 'We The Curious'
Thursday 13th December 2018

Name of pupil

Class

Please delete as appropriate:

I DO / DO NOT give permission for my child to take part in the proposed visit to 'We The Curious'.

I enclose a contribution of £18.00 towards the cost of the trip (cheques payable to Lyneham Primary School please). Please put money in a sealed envelope marked with your child's name.

Please tick here if your child is entitled to free school meals and would like a packed lunch prepared by Cheeky Pea.

Signed

Date.....

Please return this slip and contribution by FRIDAY 30th NOVEMBER
THANK YOU.
