## Pupil Premium 2018/2019

### Pupil Premium - The Facts

Introduced in April 2011, Pupil Premium funding is allocated to children who are looked after by the local authority, those who have been eligible for Free School Meals at any point in the last six years (also known as Ever 6 FSM) and for children whose parents are currently serving in the armed forces. The level of premium for 2018-19 has remained at £1,320 per primary pupil.

From April 2014, children who are looked after by the local authority will attract a higher rate of funding than children from low-income families. This is known as 'Pupil Premium Plus' and will be £1,900 per pupil for 2018-19. This is to reflect the unique challenges these children face at school where they often struggle to keep up with their peers at both primary and secondary level.

### **Principles**

The Pupil Premium Grant helps St Margaret Clitherow Primary School to:

- ensure that teaching and learning opportunities meet the needs of all of our pupils
- ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed
- use the Pupil Premium Grant funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged.
- Allocate Pupil Premium Grant funding following a needs analysis that identifies priority classes, groups or individuals.
