

Saltersgate Junior School

SEN/D & INCLUSION POLICY

Incorporating Special Educational Needs Information, in compliance with Statutory Instrument : Special Educational Needs (Information) Regulations (Clause 64)

Persons responsible for this policy: Mr P Chambers (Headteacher), Mrs A Webber (Chair of Governors)

Legislative Compliance

This policy complies with the guidance given in Statutory Instrument: Special Educational Needs (Information) Regulations (Clause 64). It has been written as guidance for staff, parents or carers and children with reference to the following guidance and documents:

SEN Code of Practice (which takes account of the SEN provisions of the SEN and Disability Act 2001) September 2014

Ofsted Section 5 Inspection Framework January 2014

Ofsted SEN Review 2010 "A Statement is not enough"

Equality Act 2010 and subsequent updates

Education Bill 2011

Children and Families Act 2014

Inclusion Statement

- We endeavour to achieve maximum inclusion of all children (including vulnerable learners) whilst meeting their individual needs.
- Teachers provide differentiated learning opportunities for all the children within the school and provide materials appropriate to children's interests and abilities. This ensures that all children have a full access to the school curriculum.
- Special Educational Need might be an explanation for delayed or slower progress but is not an excuse, and we make every effort to narrow the gap in attainment between vulnerable groups of learners and others.
- English as an Additional Language (EAL) is not considered a Special Education Need. Differentiated work and individual learning opportunities are provided for children who are learning EAL as part of our provision for vulnerable learners.
- We focus on individual progress as the main indicator of success.
- We strive to make a clear distinction between "underachievement" – often caused by a poor early experience of learning - and special educational needs.
 - Some pupils in our school may be underachieving but will not necessarily have a special educational need. It is our responsibility to spot this quickly and ensure that appropriate interventions are put in place to help these pupils catch up.
 - Other pupils will genuinely have special educational needs and this **may** lead to lower-attainment (though not necessarily to under-achievement). It is our responsibility to ensure that pupils with special educational needs have the maximum opportunity to attain

and achieve in line with their peers. Accurate assessment of need and carefully planned programmes, which address the root causes of any learning difficulty, are essential ingredients of success for these pupils. These will be provided, initially, through additional support funded from the devolved schools budget.

Aims and Objectives of this Policy

The aims of our inclusion policy and practice in this school are:

- To provide curriculum access for all
- To secure high levels of achievement for all
- To meet individual needs through a wide range of provision
- To attain high levels of satisfaction and participation from pupils, parent and carers
- To carefully map provision for all vulnerable learners to ensure that staffing deployment, resource allocation and choice of intervention is leading to good learning outcomes.
- To ensure a high level of staff expertise to meet pupil need, through well targeted continuing professional development.
- To work in cooperative and productive partnership with the Local Authority and other outside agencies, to ensure there is a multi-professional approach to meeting the needs of all vulnerable learners.
- To “promote children’s self-esteem and emotional well-being and help them to form and maintain worthwhile relationships based on respect for themselves and others”. (National Curriculum, 2000).

1. Information about the school's policies for the identification, assessment and provision for pupils with special educational needs, whether or not pupils have EHC Plans, including how the school evaluates the effectiveness of its provision for such pupils.

and

2. The school’s arrangements for assessing the progress of pupils with special educational needs

In agreeing these staged arrangements, the school has taken into account the following statements and definitions:

“Defining achievement in terms of the number of targets on an individual education plan achieved across a given time rarely ensured rigorous evaluation of provision or pupils’ progress. What made the difference to higher outcomes was effective target-setting within the curriculum or personalised programme as part of a whole-school policy on assessment.”

'Inclusion: does it matter where pupils are taught?' (Ofsted, 2006a)

*"Special educational provision is educational or training provision that is **additional to or different from**" that made generally for others of the same age. This means provision that goes beyond the differentiated approaches and learning arrangements normally provided as part of high quality, personalised teaching"*

SEN Code Of Practice (2014)

Across all the education providers visited, the keys to good outcomes were good teaching and learning, close tracking, rigorous monitoring of progress with intervention quickly put in place, and a thorough evaluation of the impact of additional provision.

Ofsted SEN Review 2010

"Ensuring that schools are clear about their provision that is normally available for all children, including targeted help routinely provided for those falling behind and the additional provision they make for those with SEN, should simplify the process of planning the right help at school level" (p68)

SEN Code of Practice 2014

STAGE 1 - Well-differentiated, quality first teaching, including, where appropriate, the use of low level, short term interventions. All vulnerable learners to be represented on a whole-school provision map.

- All learners will have access to quality first teaching.
- The routine and prolonged withdrawal from mainstream of children with EAL is not recognised as good practice and does not promote rapid language acquisition. Language acquisition is best promoted through a range of good, inclusive strategies, interventions and differentiation of the usual school curriculum.
- Some vulnerable learners will have access to low level interventions. These will probably be pupils who are underachieving and have been identified by the school as needing to make accelerated progress but will not necessarily be pupils with special educational needs. This is considered to be a differentiation of the usual school curriculum – not a special intervention for pupils with Special Education Needs (SEN).
- All vulnerable learners will be represented on a detailed whole-school provision map which outlines and monitors all additional intervention across the school. The whole school provision map enables the school to:

- Plan strategically to meet pupils' identified needs and track their provision.
- Audit how well provision matches need
- Recognise gaps in provision
- Highlight repetitive or ineffective use of resources
- Cost provision effectively
- Demonstrate accountability for financial efficiency
- Demonstrate to all staff how support is deployed
- Inform parents, LEA (Local Education Authority), external agencies and Ofsted about resource deployment
- Focus attention on whole-school issues of learning and teaching as well as individual needs, providing an important tool for self-evaluation.

Identification and Assessment at Stage 1

Children's needs should be identified and met as early as possible through:

- the analysis of data including baseline assessments and KS1 results.
- classroom-based assessment and monitoring arrangements. (Cycle of planning, action and review.)
- following up parental concerns
- tracking individual children's progress over time,
- liaison with feeder schools on transfer
- information from previous schools
- information from other services
- tracking the provision for all vulnerable learners and the impact of this provision
- Involving an external agency where it is suspected that a special educational need is significant to complete a more in-depth assessment.

Curriculum Access and Provision for vulnerable learners

Where children are underachieving and/or identified as having special educational needs, the school provides for these additional needs in a variety of ways and might use a combination of these approaches to address targets identified for individual pupils.

- teachers differentiate work as part of quality first teaching
- low level, short term intervention programmes
- individual class support where needed
- guided group work
- individual withdrawal for a short term piece of targeted work
- bilingual support/access to materials in translation
- further differentiation of resources
- study buddies/cross age tutors
- homework/learning support club
- target setting
- booster intervention groups

- emotional care, friendship and support groups
- co-ordination and handwriting support groups

Monitoring and Evaluation

The monitoring and evaluation of the effectiveness of our provision for vulnerable learners is carried out in the following ways:

- classroom observations by the school's Special Educational Needs Co-ordinator (SENCO) / Inclusion Manager and other senior leaders.
- ongoing assessment of progress
- work sampling
- scrutiny of planning
- informal feedback from all staff
- pupil and parental questionnaires
- pupil progress tracking using assessment data (whole-school processes)
- attendance records and liaison with Education Welfare Officer (EWO) where appropriate
- regular meetings about pupils' progress between teachers and the head teacher with vulnerable pupils highlighted
- head teacher's report to parents and governors
- SEN Information Report published on school website

Stage 2 Additional SEN Support

- Pupils will be offered additional SEN support when it is clear that their needs require intervention which is "additional to" or "different from" the well-differentiated curriculum offer for all pupils in the school ie they have a special educational need as defined by the SEN Code of Practice 2014.
- Under-achieving pupils and pupils with EAL who do not have SEN will **not** be placed on the list of pupils being offered additional SEN support (but will be tracked through school data systems)
- In keeping with all vulnerable learners, intervention for pupils on the SEN list will be identified and tracked using the whole-school provision map.
- It may be decided that a very small number, **but not** all of the pupils on the SEN list may need to apply for a multi-disciplinary assessment process in order to consider the need for an Education Health and Care Plan as well as additional High Needs funding. For this, an application needs to be made to the Local Authority, to ensure their underlying special educational need is being addressed. This may particularly be the case where outside agencies have been involved in assessing the pupil or contributing to their provision. Where the school can evidence that more than £6,000 above the Average Weighted Pupil Unit has, or will need to be, spent on a pupil within any one financial year, in order to meet his or her special educational needs, an application will be made to the Local Authority, with particular regard to the success criteria and planned outcomes for the pupil.

- Pupils that are receiving support that is *additional to* or *different from* the differentiated curriculum plan in place as part of provision for all children will be given targets that are reviewed termly (on an SEN Support Plan (SSP))
- Our approach to SSPs is as follows:
 - Our SSPs are a planning, teaching and reviewing tool which enables us to focus on particular areas of development for pupils with special educational needs. They are seen as working document which can be constantly refined and amended.
 - Targets will address the underlying reasons why a pupil is having difficulty with learning
 - Our SSPs will be accessible to all those involved in their implementation – pupils should have an understanding and “ownership of the targets”.
 - Our SSPs will be based on informed assessment and will include the input of outside agencies where appropriate,
 - Our SSPs have been devised so that they are manageable and easily monitored and therefore will be monitored and evaluated regularly.
 - Our SSPs will be time-limited – at termly review, there will be an agreed “where to next?”
 - Our SSPs will have a maximum of four SMART targets
 - Our SSPs will specify how often the target(s) will be covered
 - Our SSPs will state what the learner is going to learn
 - Targets for an SSP will be arrived at through :
 - Discussion, wherever possible, with parents/carers, teachers, support staff and the pupil
 - Discussion with another professional as appropriate

Stage 3 Statement of Special Educational Needs or Education Health and Care Plan

- Pupils with a statement of educational needs (pre September 2014) or an Education Health and Care Plan (post September 2014) will have access to all arrangements for pupils on the SEN list (above) and, in addition to this, will have an Annual Review of their statement/plan. Supplementary or early reviews may be called if required.
- Our school will comply with all local arrangements and procedures when applying for
 - High Needs Block Funding
 - An Education Health and Care Plan
 and will ensure that all pre-requisites for application have been met through ambitious and pro-active additional SEN Support using our devolved budget at an earlier stage and with reference to LEA produced SEN descriptors.
- Our review procedures fully comply with those recommended in Section 6.15 of the Special Educational Needs Code of Practice 2014.

Inclusion of pupils with English as an additional language

Definition

A pupil who has English as an Additional Language is a pupil whose first language is not English, and who uses that language on a regular basis inside or outside of school. EAL pupils are not considered to have a Special Educational Need, but are seen to benefit from the ability to live and learn in more than one language.

Ethos

We strive to recognise, welcome and celebrate linguistic and cultural diversity and have a high expectation of all pupils regardless of ethnic, cultural or linguistic heritage. We aim to include all pupils and parents in our school by respecting that diversity and reflecting it in our school environment, curriculum, learning resources and partnership with parents. We welcome the enrichment that linguistic and cultural diversity brings to our school community.

Admissions

No pupil will be refused admission on the basis of ethnicity or EAL. Pupils who have EAL will be admitted under the same criteria as any other pupil applying for a school place. Where parents do not speak English, we endeavour to provide oral and written information and help in first language which will facilitate the admission process and provide key information about our school. On admission, the pupil will have access to a welcome and induction programme which recognises their linguistic needs and provides a safe and secure start to their learning.

Provision

Pupils with EAL will have full access to mainstream provision regardless of their proficiency in English. Where necessary, additional support will be given to improve the acquisition of English: this will be provided through a high quality, differentiated, inclusive curriculum and, where appropriate, some withdrawn individual/group work.

The following provision can be expected:

- initial assessment of EAL (using an appropriate assessment tool- eg. NASSEA EAL Assessment System or QCA 'A Language in Common' to record stage of language acquisition where it is below English NC Level 2)
- a further mother tongue assessment may be applicable where SEN is known or where further information needs to be gathered in the pupil's first language
- Work in class will be differentiated for the pupils to lessen linguistic difficulties without significantly reducing academic challenge. Differentiated homework will be provided to enable the pupil to improve their knowledge and use of English and to participate in homework activities on an equal basis with their peers.

- Additional support for pupils may be given through: first language resources & translation facilities; teaching support on a 1:1 or small group basis, peer group support; pre-teaching of key concepts and vocabulary.
- Where necessary, catch-up work will be provided for pupils arriving from overseas who have experienced a different curriculum or who may have gaps in their schooling. Where pupils are ahead of their peer group in terms of learning, differentiation will be made in order to access learning at an appropriate level.
- Progress of EAL pupils will be monitored against both initial assessments and against National Curriculum indicators. Where accelerated progress in English is needed for reasons of EAL, targets will be set and provision made on agreement between the class teacher and the Inclusion Manager / SENCO. Provision will be recorded and monitored for effectiveness using the school's provision map, in line with standard practice for all vulnerable learners in the school. The pupil will not be placed on the SEN register for reasons of EAL.

Parental support

We recognise that some parents who are learning English may find it difficult to communicate with the school and approach the school regarding any concerns they may have on their child's progress. We endeavour to fully include EAL parents in the life of the school by, wherever possible, providing interpreting facilities at parents' evenings and other school meetings.

Inclusion of pupils who are looked after (Children in Care)

Our school recognises that:

- Children who are looked after in local authority care (Children in Care) have the same rights as all children but may have additional needs due to attachment issues, early neglect, separation and loss, trauma and many placement moves. These barriers to learning can affect their educational outcomes and their personal, social and emotional development.
- There are commonly understood reasons (Social Exclusion Unit Report :2003] why children who are looked after in local authority care often fail to make expected progress at school :
 - Placement instability
 - Unsatisfactory educational experiences of many carers
 - Too much time out of school
 - Insufficient help if they fall behind
 - Unmet needs - emotional, mental, physical
- There is a statutory requirement for all schools to have a designated teacher (DT) for looked after children. (The name of the current designated teacher at our school is given at the end of this inclusion policy). The responsibilities of our designated teacher include:

- monitoring the progress of children who are 'looked after' to ensure that they have the best life chances possible and access to the full range of opportunities in school
- ensuring that children who are 'looked after' have access to the appropriate network of support
- checking that the statutory Personal Education Plan (PEP) has been arranged and that it is regularly reviewed, at least every six months
- ensuring that information concerning the education of children who are 'looked after' is transferred between agencies and individuals
- preparing a report on the child's educational progress to contribute towards the statutory review. (These are usually held at six monthly intervals or more frequently if there is a concern)
- discussing feedback from the statutory review (chaired by the Independent Reviewing Officer) with social workers and, where necessary, the carers and a member of the Virtual School team.
- liaising with the child's social worker to ensure that there is effective communication at all times
- celebrating the child's successes and acknowledge the progress they are making.

Our school will work closely with the county's The Virtual School (VS) for Children in Care which promotes the educational needs of Children in Care and monitors admissions, PEP completion, attendance & exclusions.

Inclusion of pupils who are very able and/or talented

In this section the term 'very able' refers to pupils who have a broad range of achievement at a very high level. Those children who are very able have very well-developed learning skills across the curriculum. The term 'talented' refers to pupils who excel in one or more specific fields, such as sport or music, but who may or may not perform at a high level across all areas of learning.

We respect the right of all children in our school, irrespective of differences in ability, to access a number of areas of learning, and to develop the knowledge, skills, understanding and attitudes that are necessary for their self-fulfilment and eventual development into active and responsible adults.

The aims of our school make specific reference to teaching and learning that takes into account the needs of all children. They also identify the commitment to giving all our children every opportunity to achieve the highest of standards.

Each year the school will draw up a register of very able and/or talented children, this list will be kept under review. We offer a range of extra-curricular activities for our children. These activities offer very able and/or talented children the opportunity to further extend their learning in a range of activities. Provision for very able and/or talented children will be tracked on the school's provision map.

For further information about our provision for pupils who are gifted and/or talented, please see our Gifted & Talented Policy.

3. The name and contact details of the Inclusion Manager / SEN co-ordinator.

Mrs Laura Ward – laura.ward@saltersjun.doncaster.sch.uk

The name and contact details of the Gifted & Talented co-ordinator.

Miss Amy Miller – amy.miller@saltersjun.doncaster.sch.uk

The name and contact details of the Designated Teacher for Looked After Pupils / Children in Care

Mr P Chambers – head@saltersjun.doncaster.sch.uk

Management of Inclusion within our school

The head teacher and the governing body have delegated the responsibility for the ongoing implementation of this Inclusion Policy to the Inclusion Manager / Special Educational Needs Coordinator (SENCO). The SENCO is responsible for reporting regularly to the head and the governor with responsibility for SEN on the ongoing effectiveness of this inclusion policy. The Designated Teacher for Looked After Children has strategic responsibility for the inclusion of children who are adopted or in local authority care.

All staff in school have a responsibility for maximising achievement and opportunity of vulnerable learners – specifically, all teachers are teachers of pupils with special educational needs and EAL. Staff are aware of their responsibilities towards all vulnerable learners and a positive and sensitive attitude is shown towards all pupils at all times.

Headteacher

- the headteacher is responsible for monitoring and evaluating the progress of all pupils and for making strategic decisions which will maximise their opportunity to learn
- the head teacher and the governing body will delegate the day to day implementation of this policy to the Inclusion Manager / Special Educational Needs Coordinator (SENCO)
- the headteacher will track the progress of all vulnerable learners and any issues with regard to the school's provision in this regard through:
 - analysis of the whole-school pupil progress tracking system
 - joint maintenance and analysis of a whole-school provision map for vulnerable learners with the Inclusion Manager / SENCO
 - pupil progress meetings with individual teachers

- regular meetings with the SENCO/Gifted & Talented Co-ordinator
- discussions with pupils and parents

Inclusion Manager / Special Educational Needs Coordinator (SENCO)

In line with the recommendations in the SEN Code of Practice 2014, the SENCO will oversee the day- to-day operation of this policy in the following ways:

- maintenance and analysis of whole-school provision map for vulnerable learners
- identifying on this provision map a staged list of pupils with special educational needs – those in receipt of additional SEN support from the schools devolved budget, those in receipt of High Needs funding and those with statements of Special Educational Need or Education Health and Care plans
- co-ordinating provision for children with special educational needs
- liaising with and advising teachers
- managing other classroom staff involved in supporting vulnerable learners (the Inclusion Manager / SENCO will support the deputy headteacher, Paul Chambers with this role)
- overseeing the records on all children with Special Educational Needs
- liaising with parents of children with SEN, in conjunction with class teachers
- contributing to the in-service training of staff
- implementing a programme of Annual Review for all pupils with a statement of special educational need or Education Health & Care Plan. Where the Education Health & Care Plan is not lead by the SENCO, they will comply with requests to participate in a review from the plan’s co-ordinator.
- carrying out referral procedures to the Local Authority to request High Needs funding and/or an Education Health and Care Plan when it is suspected, on strong evidence arising from previous intervention (additional SEN support from devolved budget), that a pupil may have a special educational need which will require significant support,
- overseeing the smooth running of transition arrangements and transfer of information for Year 2 pupils (from feeder schools) and Year 6 pupils on the vulnerable learners’ provision map.
- monitoring the school’s system for ensuring that SEN Support Plans (SSPs), where it is agreed they will be useful for a pupil with special educational needs, have a high profile in the classroom and with pupils (see section below on SEN Support Plans).
- evaluating regularly the impact and effectiveness of all additional interventions for all vulnerable learners (including those with special educational needs).
- review and revise learning objectives on SSPs
- liaising sensitively with parents and families of pupils on the SEN list.
- attending area SENCO network meetings and training as appropriate.
- liaising with the school’s Inclusion Governor, keeping him/her informed of current issues regarding provision for vulnerable learners, including those with Special Educational Needs (nationally, locally and within school).
- liaising closely with a range of outside agencies to support vulnerable learners,

Ethnic Minority Achievement

The Inclusion Manager / SENCO will oversee the day-to-day operation of this policy in the following ways:

- maintenance of a list of pupils with ethnic minority heritage and EAL, ensuring they are identified on the school's provision map
- in collaboration with the headteacher, maintenance and analysis of whole-school provision tracking and data analysis for vulnerable learners from ethnic/linguistic minority backgrounds
- advising on and co-ordinating provision for children with additional needs relating to ethnic or linguistic background
- working collaboratively with teachers to plan for and teach children with EAL as part of mainstream teaching practice
- managing other classroom staff involved in supporting ethnic/linguistic minorities
- overseeing the initial and on-going assessment records on all children with EAL
- liaising with parents of ethnic and linguistic minority children in conjunction with class teachers as appropriate
- review the linguistic progress of children learning EAL and establish next steps in learning
- evaluating regularly the impact and effectiveness of all additional interventions for children from cultural and linguistic minority backgrounds.
- overseeing the smooth running of transition arrangements and transfer of information for Year 2 and Year 6 pupils with EAL.
- contributing to the in-service training of staff
- supporting the design and delivery of a culturally inclusive curriculum which reflects the ethnic, cultural and linguistic diversity of the school
- advising on and sourcing bilingual and culturally reflective materials to support children's learning across the curriculum
- advising on and sourcing interpreters and materials in translation to ensure that bilingual parents have equality of access to essential information
- liaising closely with a range of outside agencies to ethnic & linguistic minority learners

Class teacher

- liaising with the Inclusion Manager / SENCO to agree :
 - which pupils in the class are vulnerable learners
 - which pupils are underachieving and need to have their additional interventions monitored but do not have special educational needs.
 - which pupils require additional support because of a special educational need and are on the school's SEN list. Some of these pupils may require advice/support from an outside professional. These pupils will have a SEN Support Plan to address a special educational need (this would include pupils with statements/EHC Plans)

- securing good provision and good outcomes for all groups of vulnerable learners by :
 - providing differentiated teaching and learning opportunities, including differentiated work for EAL pupils which reduces linguistic difficulty whilst maintaining cognitive challenge
 - ensuring there is adequate opportunity for pupils with special educational needs to work on agreed targets which are “additional to” or “different from” those normally provided as part of the differentiated curriculum offer and strategies”. (SEN Code of Practice 2013)
 - ensuring effective deployment of resources – including teaching assistant support - to maximise outcomes for all groups of vulnerable learners.

4. Information about the expertise and training of staff in relation to children and young people with special educational needs and about how specialist expertise will be secured.

- In accordance with Section 6 of the SEN Code of Practice 2014, if appointed after September 2008, our Special Educational Needs Coordinator will be a qualified teacher working at our school and will have statutory accreditation. If a new SENCO is appointed, he/she will gain statutory accreditation within three years of appointment.
- The Inclusion Manager / SENCO will regularly attend local network meetings
- All staff will be trained in how to best support all vulnerable learners in order to maximise their achievement as part of the school development plan and annual schedule of continuous professional development.
- Specialist advice and expertise in relation to assessment and support of individual pupils will be commissioned by the school from the open market. Service level agreements and quality assurance criteria will be put in place at the point of commissioning and the headteacher and senior leaders will be responsible for reporting to governors on the efficacy of these arrangements

(including value for money). Our school will, wherever possible, join with other schools in joint commissioning and quality assurance arrangements.

5. Information about how equipment and facilities to support children and young people with special educational needs will be secured.

- When specialist equipment or a high level of staffing support is required to support a pupil with special educational needs, wherever possible, our school will fund this as additional SEN support up to £6,000 per annum for each individual pupil. Thereafter, if the cost is higher and the provision of these facilities is likely to be prolonged, the school will apply to the Local Authority for High Needs Block Funding.
- Specialist equipment and expertise in relation to its use will be purchased/hired/ commissioned by the school from the open market, subject to the usual guarantees, service level agreements and quality assurance criteria. Our school will, wherever possible, join with other schools in joint purchasing/hire of equipment.
- All staffing appointments to support vulnerable learners will be carried out in accordance with equal opportunities legislation, employment law, safer recruiting policy and best practice. All vacancies will be competitively advertised and recruited.

6. The role played by the parents of pupils with special educational needs (and other learning needs).

Partnership with Parents/Carers

The school aims to work in partnership with parents and carers. We do so by:

- working effectively with all other agencies supporting children and their parents
- giving parents and carers opportunities to play an active and valued role in their child's education
- making parents and carers feel welcome
- encouraging parents and carers to inform school of any difficulties they perceive their child may be having or other needs the child may have which need addressing
- instilling confidence that the school will listen and act appropriately
- focusing on the child's strengths as well as areas of additional need
- allowing parents and carers opportunities to discuss ways in which they and the school can help their child

- agreeing targets for all pupils, in particular, those not making expected progress and, for some pupils identified as having special educational needs, involving parents in the drawing-up and monitoring progress against these targets
- keeping parents and carers informed and giving support during assessment and any related decision-making process
- making parents and carers aware of the Parent Partnership services.
- providing all information in an accessible way for parents with English as an Additional Language.
- producing a SEN Information Report that will be published on the school website.
- publishing information about the Pupil Premium (expenditure & impact) on the school website.

Involvement of Pupils

We recognise that all pupils have the right to be involved in making decisions and exercising choice. In most lessons, all pupils are involved in monitoring and reviewing their progress through the use of layered targets. We endeavour to fully involve all pupils by encouraging them to:

- state their views about their education and learning
- identify their own needs and learn about learning
- share in individual target setting across the curriculum so that they know what their targets are and why they have them,
- self-review their progress and set new targets
- (for some pupils with special educational needs) monitor their success at achieving the targets on their SEN Support Plan.
- (for some pupils with special educational needs) help to create a pen portrait of their likes, dislikes, family, friends, strengths and needs.

Effective Transition

- We will ensure early and timely planning for transfer to a pupil's next phase of education and, in the year before the year in which they leave, will discuss transition needs of all pupils with Education Health and Care Plans at their Annual Reviews.
- During the year in which pupils leave, transition meetings for all pupils as well as for vulnerable pupils will be held and arrangements discussed (this may include additional visits to the normal one arranged for all pupils)
- A transition timeline will be produced.
- Support for pupils moving to our school will be carefully planned and will include familiarisation visits, buddy bonding activities and parental/carer visits to our school. Pupils will be included in all "class transition days" but may also be offered additional transition visits as needed. For pupils with an Education

Health & Care Plan in Year 2, the SENCO will also attend any Annual Reviews for the pupils at their respective feeder school as invited.

- Pupils and parents will be encouraged to consider all options for the next phase of education and the school will involve outside agencies, as appropriate, to ensure information is comprehensive but easily accessible and understandable. Accompanied visits to other providers may be arranged as appropriate.

7. Any arrangements made by the governing body or the proprietor relating to the treatment of complaints from parents of pupils with special educational needs concerning the provision made at the school.

Admission Arrangements

No child will be refused admission to school on the basis of his or her special educational need, ethnicity or language need. In line with the Equalities Act 2010, we will not discriminate against disabled children and we will take all reasonable steps to provide effective educational provision (*see Admission policy for the school*)

Complaints

If there are any complaints relating to the provision for children with SEN or EAL these will be dealt with in the first instance by the class teacher and SENCO/Inclusion Manager, then, if unresolved, by head teacher. The governor with specific responsibility for SEN/Inclusion may be involved if necessary. In the case of an unresolved complaint the issue should be taken through the general Governors complaints procedure (*see separate Complaints Policy*)

8. The contact details of support services for the parents of pupils with special educational needs, including those for arrangements made in accordance with clause 32.
