

Sports Premium Overview September 2018 to August 2019

Warmsworth Primary School:

At Warmsworth Primary School we believe PE and Sport plays an integral role in and has the potential to change young people's lives for the better. We recognise that PE plays an important role in the health and wellbeing of children and the positive impact PE and extra-curricular activities can have on the attitudes, confidence and academic achievement of all our children.

We have been committed to using the Sports Premium funding to improve our provision of Physical Education and sport throughout our school.

Sports Premium Grant:

The government provides funding jointly provided by the Departments for Education, Health and Culture, Media and Sport, to see money going directly to primary schools to spend on improving the quality of sport and PE for all their children. All schools with 17 or more primary aged pupils will receive a lump sum of £16,000 plus a premium of £10 per pupil.

Total number of primary aged pupils between the ages of 5-11 (Jan 2018)	353
Total amount of Sports Premium Grant received	£19530
Total amount of Sports Premium Grant spent	£19530
Sports Grant funding remaining	£0.00

What does the Sports Premium mean for my school?

'Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.'

At school we have split up the funding by three key areas for consideration; Physical Education, Healthy Active Lifestyles and Competitive Sport. We have decided to spend the Sports Premium Grant on:

Physical Education: To improve the quality of Teaching and Learning of Physical Education.

Objective	Projected Outcomes
<p>To ensure all children have access to high quality PE teaching across the curriculum. To increase confidence, knowledge and skills of all staff in teaching PE and sport.</p> <p>Actions:</p> <ul style="list-style-type: none"> • Employ specialist PE coach to work alongside teachers and deliver after-school clubs. • Joe Halstead to coach member of staff in order for them to develop their delivery of PE lessons and activities at break and lunch. • Playtime sports activities provided by specialist coach at playtime and lunchtime. • PE coordinator providing support for members of staff within our school to up level their skills by identifying appropriate professional learning opportunities or coaching within PE lessons. <p>Amount: £14143.88</p>	<ul style="list-style-type: none"> • Children to learn a variety of sports ranging from Netball to Boccia and Tag Rugby. • Children to have opportunities to acquire basic skills of these sports as well as participate in competitive elements of these games. • Provide children with the skills and passion to embrace sporting opportunities in the wider community. • Opportunity for meetings between Mr Halstead and the class teacher happen to discuss the progressions and development of the children in their class. Through this improved communicative structure, teachers have a better understanding of the child's goals and can use this knowledge to encourage improvement of skills and progress throughout that specific period.

Healthy Active Lifestyles: Ensuring all our children have access to regular exercise.

Objective	Projected Outcomes
<p>To increase fitness levels of all children.</p> <p>Actions:</p> <ul style="list-style-type: none"> • Promote PE activities during KS2 assembly on Tuesdays. • Termly fitness tests using bleep tests to monitor effectiveness of fitness levels acquired. • Children have fitness element included in at least one of their lessons every week to give them the understanding and experiences they need to understand how fitness and activity benefits the body and mind. • Intensive and extended warm ups during outdoor and indoor PE sessions. • School clubs set up to encourage target groups to participate in and enjoy more physical activities. • The opportunity for our pupil premium children from all key stages to participate on a weekly basis in an after school club with a qualified coach from the local community to give them a sense of ownership. This gives us a useful link within the community and helps children to sustain 	<ul style="list-style-type: none"> • Improved behaviour in the playground/lesson times. This will be as a result of children being engaged in playground games for longer and in a structured manner. • Positive attitudes towards health and well-being. • Data analysis shows increased fitness levels. This will be measured through fitness assessments in PE lessons. Baseline assessments to take place during the Autumn term and progress will be monitored. Children to track their own progress and set themselves targets.
