

# St Lawrence's CE Primary School

## Sports premium funding Impact

### Our school vision 2018/19

St Lawrence's is a school where:

- Children are engaged and are enthused in PE lessons, learning a range of skills outlined in the National Curriculum
- CPD opportunities develop expertise and confidence in PE
- The school aims to offer a variety of After School Clubs to develop a more diverse curriculum
- Inter and intra competitions are a high priority

**James 1:12**

**'Blessed is the one who perseveres'**

### What is Sports Premium Funding?

In April 2013, the Government announced new funding of £450 million for Physical Education (PE) and sport over 3 academic years. In 2017-18, this was then increased and the commitment renewed.

In 2017-18, St Lawrence's received £16,000 plus £10 per pupil totalling £17,600. This funding is allocated directly to schools across England with the aim of improving the quality and breadth of PE and Sports provision on offer. Schools are free to determine how best to use this funding to increase participation but, at the core, should focus on giving opportunity and promoting a healthy lifestyle.

### HOW MUCH FUNDING DID ST LAWRENCE'S RECEIVE?

In the academic year 2017-18, St Lawrence's received £17,600. We have used this money to upskill members of staff, improve the quality of equipment across all phases and hired coaches to work alongside staff to increase the breadth of sport offered to children.

### EQUIPMENT

Building on our fantastic start to training and competing in the league last year, money was spent to improve the team football kit and new nets were purchased to ensure we could host matches. New footballs, training bibs and cones were also bought to continue to deliver a quality experience for all.

This year St Lawrence's has also invested over £950 in play equipment, both for in school and Out Of School Club. This has included basketballs, netballs, tennis racquets, tennis balls, goal posts and team building equipment.

### PARTICIPATION STATISTICS

In the academic year 2017-18: [65% of children] took part in an extra-curricular sport club. Clubs on offer this year have included football, dance, cheerleading, fencing, multi-skills, archery and ultimate Frisbee. External clubs have also been ran by Premier Sport and Total sports. With this coaching support, we have been able to prepare our children to be confident in taking part in a range of activities.

## YORK SCHOOLS SPORTS PARTNERSHIP

*Part of our Sport Premium money each year goes towards signing up to the York Schools Sports Partnership and the associated benefits that this brings to the school. This is a unique opportunity to motivate and inspire young people across York to take part in more competitive school sport. Because of this spending, staff have access to training locally and there are opportunities for children to take part in a wide range of locally organised competitions.*
