Subject: Christmas Film Night - Further Info

Dear Parents and Carers,

The PTA is planning a Christmas film night on Friday 7th December. The evening will run from 5-7pm and will include a festive film for all ages, with the alternative option of Christmas story time for Early Years and Reception children to run from 5-6pm. The price will include the film, hot dog, drink, popcorn, and a gift from Santa at the end of the evening. Children are welcome to wear pyjamas and/or bring a cushion to snuggle with in the hall.

We'd like to give the children (and parents!) a say in which film is shown, because we want everyone to participate in the decision. The poll will be open until next Monday, 26th November. Please follow the link below and simply click on your preferred choice. All votes are anonymous, we trust you to vote only once per child!

<https://doodle.com/poll/7pdtkcczwkwk99wc>

If you have any problems with the online voting system, you are welcome to post a paper vote in the PTA box in reception. The options for films are:

Arthur Christmas, Nativity, and the Polar Express (all U-rated).

Results will be announced next week, you should have received a booking form already. We can accept bookings now, or you are welcome to wait until the outcome of the poll. While we will accept entry on the night, it would greatly speed up entry at the door if we could have as many details as possible in advance. If your child has any special dietary requirements, please let us know in advance, otherwise we won't be able to guarantee that appropriate food is available. If your child is already booked into after-school club for tea or after 5pm on that day, please contact the PTA for pricing information.

Many thanks!

PTA
