

Newsletter 18/19 - 8

We would like to remind parents and carers about the importance of listening to your child read at home. Please remember to record in their reading diary when you have heard them read to you and how you think they are doing; this is really valuable dialogue for their teacher who can then talk to your child about their reading experience at home. As with most things practice makes perfect so the more practice your child gets at home the faster their progress will be.

Plans for next week's 25 Books before Christmas launch are going well and we should have a great afternoon sharing books together. A separate letter detailing this event has come out separately. Please do try to come along, it'll be lots of fun!

Rehearsals for our Christmas play are going well. Please could you make sure to have your child's costume in school ASAP. Thank you.

Ash class has Forest school Tuesday next week, please make sure they have plenty of warm clothes with them that day, it can get very chilly outside for a whole session.

CHILDREN IN NEED

CURRENT TOTAL

£89.03

THANK YOU VERY

MUCH

The issue of parking outside school at home time has been raised with school again by members of the public trying to use the road outside school. Please can we remind parents NOT to park right outside school, if there are a lot of cars on the road outside school it is difficult for children to cross the road safely and it is also a problem for the taxis to leave, taking the children home. We know that all of us care very much about the safety of the children at our school and we thank you for thoughtfulness in solving this parking issue.
