I understand that I must deliver the medicine personally to	Student Services

*** A separate form must be completed for each medicine.**

I accept that I must deliver the medicine personally to Student Services at Uplands Community College. The above information is, to the best of my knowledge, accurate at the time of writing and I give consent to Uplands Community College's staff administering medicine in accordance with their policy. I will inform the College immediately, in writing, if there is any change in dosage or frequency of the medication or if the medicine is stopped.

I understand that it may be necessary for this treatment to be carried out during educational visits and other out of school activities, as well as on the College premises.

I undertake to supply the College with the drugs and medicines in properly labelled containers.

I accept that whilst my child is in the care of Uplands Community College, the staff stand in the position of the parent and that the staff may therefore need to arrange any medical aid considered necessary in an emergency, but I will be told of any such action as soon as possible.
