Topic Homework

Autumn 2

Create a toys list for Santa.

Draw and label a list of items for Santa's toys list. Make sure you spell your words correctly. How can you check your spellings?

Design your own board game.
Could you make your own version of snakes and ladders or buckaroo?
Don't forget to include some instructions so we know how to play your game.

Create your own toy shop at home.

With a family member create a toy shop. Don't forget to give your toys a price tag (a two digit number). Take turns to be the shop keeper and the customer. Can you count out the correct coins? Extra challenge: Can you buy more than one item?
If possible could you take photos of your shop keeping adventure.

Find out about toys from the past.
Interview an older relative and find out what they enjoyed playing with when they were younger.

Can you present your findings?
